Fees to be deducted from teachers' salaries and remitted to the General Teaching Council for England

The General Teaching Council for England (Deduction of Fees) Regulations 2001 ("the Regulations", S.I. 2001 No. 3993) came into force on 10 January 2002. The Regulations apply to teachers at maintained schools registered with the General Teaching Council for England ("the GTC") or required to be so registered by the Teachers (Compulsory Registration) (England) Regulations 2001 (S.I. 2001 No.1266). The Regulations place a duty on the employer of such teachers to deduct and remit the GTC fee in respect of a teacher who has not already paid the fee to the GTC where the GTC has notified the employer to deduct and remit the fee of that teacher. This includes teachers who have indicated to the GTC that they wish to pay the fee by a salary deduction as well as teachers who have not indicated how they wish to pay the fee.

In order to ensure the performance of the duties to deduct and remit the fee imposed on employers by the Regulations the following conditions are imposed on the Authority and governing bodies of all maintained schools covered by this Scheme in relation to their budget shares and come into effect on 28 February 2002:

(1) By virtue of section 46 of the School Standards and Framework Act 1998 and the regulations made under that section (at present the Financing of Maintained Schools (England) Regulations 2001 (S.I. 2001 No.475, Part II and Schedule 1) the costs of payroll administration for teachers in the Authority's maintained schools fall to be met from the budget shares which are allocated to governing bodies pursuant to section 47 of the Act, and which are delegated to them pursuant to sections 49-50. Accordingly, by virtue of Chapter IV of Part II of that Act and this Scheme, governing bodies of maintained schools are responsible for making suitable arrangements (or ensuring that such arrangements are made) for the administration of payroll services in respect of their teachers.

(2) A governing body of a community school, community special school or a

voluntary controlled school, though not the employer of the teachers at such a school, shall:-

- (a) where the governing body has entered into any arrangement or agreement with the Authority to provide payroll services, ensure that any such arrangement or agreement is amended to allow for the deduction and remittance of fees by the Authority to the GTC. The governing body shall meet any consequential costs from the school's budget share;
- (b) where the governing body has entered into any arrangement or agreement with a person other than the Authority to provide payroll services, ensure that any such arrangement or agreement is amended to allow for the deduction and remittance of fees by that person to the Authority or directly to the GTC where this has been agreed between the GTC and the Authority. The governing body shall meet any consequential costs from the school's budget share; and
- (c) where the governing body directly administers the payroll, deduct and remit the fees to the Authority or directly to the GTC where this has been agreed between the GTC and the Authority. The governing body shall meet any consequential costs from the school's budget share.

(3) A governing body of a foundation school, a foundation special school or a voluntary aided school, as the employer of its teachers, is by virtue of the Regulations under a duty to deduct (or arrange for the deduction of) the fee and to remit the fee to the GTC. Accordingly, a governing body shall:-

- (a) where the governing body has entered into any arrangement or agreement with the Authority to provide payroll services, ensure that any such arrangement or agreement is amended to allow for the deduction and remittance of the fees by the Authority to the GTC on the governing body's behalf. The Authority shall agree to any such amendment. The governing body shall meet any consequential costs from the school's budget share;

(b) where the governing body has entered into any arrangement or agreement with a person other than the Authority to provide payroll services, ensure that any such arrangement or agreement is amended to allow for the deduction and remittance of the fees by that person to the GTC or to the governing body for onward transmission to GTC. The governing body shall meet any consequential costs from the school's budget share; and

(c) where the governing body directly administers the payroll, deduct and remit the fees to the GTC. The governing body shall meet any consequential costs from the school's budget share.

(4) All this shall be done whether the funding for the salary payments is paid to the Authority by the school from budget share instalments which have been held by the school in an independent bank account, or the salary costs are directly charged by the Authority to the school's budget share account.
