**Please state the ground(s) for review (please read guidance note 1)**

Numerous matters of disorder have occurred within and outside the premises and in particular there have been two glassings in recent months.

**Please provide as much information as possible to support the application**  
(please read guidance note 2)

On 13<sup>th</sup> December 2007 Police attended Sophies bar a report of a glassing. Enquiries revealed that a male had been glassed on his head. The injured party had been drunk and he attended Arrowe Park Hospital where he claimed to have 25 stitches put into his head. The male did not make a statement of complaint in relation to the assault and consequently no persons have been arrested.

On 26<sup>th</sup> May 2008 a 17 year old male was assaulted in the toilets of Sherlocks.

In a separate incident on the same night a female caller was ejected from the premises by doorstaff. She reports that the incident started when some people that were with her tried to glass her boyfriend.

On 17<sup>th</sup> August 2008 a male was bottled in the face in Sherlocks. He was drunk at the time and refused to make a complaint. As a result of this I spoke with Ray Kerr from the premises who agreed that he would move over to plastic glasses to prevent any further incidents of this type occurring. He attended Wallasey Police station later the same day and produced a receipt for a quantity of plastic glasses.

On 19<sup>th</sup> October 2008 a 20 year old female was glassed inside sherlocks. The offender was detained by doorstaff and then arrested.

There have now been three incidents of glassing within these premises within 12 months. There was also the potential for a further incident on 26<sup>th</sup> May. Two nearby premises have also had two incidents of glassings within the last six months. This indicates that persons who attend premises in this vicinity are prepared to resort to high levels of violence and use glass as a weapon.

These are very serious offences that always result in very serious injury. These offences clearly undermine the crime and disorder objective. The premises already has doorstaff and a comprehensive CCTV system. The premises agreed voluntarily to move to plastic glasses some six weeks ago but the incident on 19<sup>th</sup> October shows that they are not using them as agreed. Merseyside Police are seeking a condition on the licence that no glass is served to any customers and plastic glasses and bottles must be used while the premises are open. This does not prevent glass bottles being purchased but they must be transferred into a plastic glass at the point of sale.

Please tick yes

- I have sent copies of this form and enclosures to the responsible authorities and the premises licence holder or club holding the club premises certificate, as appropriate
- I understand that if I do not comply with the above requirements my application will be rejected

I am the above named person and I reside at the address provided to me police.

On Saturday 18th October 2008 I was on a night out in Birkenhead.

At approximately 0100 hours on Sunday 19th October 2008 I went to SHERLOCKS bar. At this point, I had had about 4 bottles of WKD and 2 SMIRNOFF ICE, and I did not feel drunk. I went into SHERLOCKS with my sister, sister in law, and mother. Whilst I was in SHERLOCKS, I saw my cousin dancing, I know him as FROGGY NICHE. I said hello to him and he said hello back.

About 20 minutes later I went outside to the smoking area. I was talking to Wesley HIGGINS and John LEACH, and then I saw that FROGGY had also come outside. I said hello to FROGGY and a female that I do not know asked me how I knew FROGGY. As I bent down to talk to her, FROGGY reached over the top of me in order to punch LEACH. He punched LEACH in the face. I stood up straight and as I did so I saw that FROGGY had a half pint glass in his right hand. He was directly in front of me.

He took a swing from his drink and then hit me round the side of my head with it. I think he was aiming to hit LEACH with it but got me by mistake.

There was a lot of blood coming from my head at the <sup>left</sup> ~~right~~ hand side of my forehead near my temple. I have severe aching to my head and my face and I have a 'V' shaped cut to my head.

I wish to make a complaint to the police and am willing to go to court over the matter.

This statement (consisting of 3 page(s) each signed by me) is true to the best of my knowledge and belief and I make it knowing that, if it is tendered in evidence, I shall be liable to prosecution if I have wilfully stated in it, anything which I know to be false or do not believe to be true.

At about 2:30 am on Monday 26th May 2008 I was in SHERLOCK'S night club, CONWAY STREET, BIRKENHEAD. I was out with my friends ADRIAN WOODER, ERIC NIXON and ALLEN WILLIAMSON. At that time I went to the toilet and as I did I felt <sup>DJL</sup> somebody come up to me to the side of my face by, who felt like, two separate people.

ML

Before I realised what was happening, the door staff had taken hold of a number of both and escorted them out. I was re-joined by my friends and we stayed for the next half an hour when the club closed.

As we walked out of the club I got chatting to a group of both outside. I asked them if they had seen what had happened in the club. One of the both said "YES IT WAS ME THAT HIT YOU!"

There were about 7-8 people in

the group and a number of them started to say to me "COME ON ROUND THE BACK - THERE'S NO POLICE THERE, WE'LL HAVE YOU A FIGHT."

We decided to leave and headed towards the taxi rank in ARGYLE STREET.

One of my friends wanted something to eat so we went to the take away over the road from ARGYLE TAXIS, I think then in a ~~take~~<sup>or</sup> GREEK take away.

NL

As we were talking outside the group of both came back and again tried to get me to go for a fight down the alleyway.

I refused to get involved and one of the group, followed by a few others, walked towards me and continued to ask me to fight him. The witness warning he punched me to my nose. At the same time my friends grabbed hold of me and pulled me away.

The last was pulled away by the friends and the two groups separated. I am not sure what happened next but one of the staff in the Greek take away offered to help me as I was bleeding badly. I called for an ambulance <sup>DSL</sup> as my nose was misshapen.

NL

I was taken to Armore Park Hospital where I was treated for cuts to my mouth

and damage to my nose.

The God who told me had hit me in the club was a white God about 18-19 years of age about 5'5" tall and of fairly large build.

He had black hair which was short and spiked. He looked neat and tidy and I think he was clean shaven.

The God that punched me later was also a white God about the same age. He was about 5'10" tall and of medium build. He had light brown hair which was short-cropped. He also looked fairly neat and tidy.

I have looked on "BEBO.COM" and have found images of these two Gods. I have since found out via friends that the second God is called CHRIS CARRNESS or CHRIS EFFCESS.

The other God is possibly ~~STEVE~~<sup>OTL</sup> STEVE McCANN. ML

CHRIS is supposed to live in one of the houses opposite BEBINGTON RAILWAY STATION, OLD CHESTER ROAD, BEBINGTON and he is possibly in the army.

I would recognize them again and I am willing to go to court on the matter. I have heard the Victim Personal Commission explained to me I do not wish to do an additional statement at the scope but I understand I can make one as a witness date.

**Please state the ground(s) for review (please read guidance note 1)**

A number of incidents of disorder have occurred within the past months. In particular there was an incident in September when a male was armed with a gun and in November a serious stabbing occurred.

**Please provide as much information as possible to support the application**  
(please read guidance note 2)

On 12<sup>th</sup> April 2008 an assault occurred at the premises. This then developed into a fight with another male.

On 17<sup>th</sup> June 2008 an assault occurred within the premises. The injured person received a cut to his head and a swollen throat.

On 2<sup>nd</sup> August 2008 an incident occurred between a customer and the doorstaff.

On 9<sup>th</sup> August 2008 Police responded to a reported disturbance. The parties responsible had left prior to Police attendance.

On 4<sup>th</sup> September 2008 an incident occurred within the premises when a male was seen in possession of a firearm. This resulted in the attendance of armed Police Officers and two males were arrested.

On 23<sup>rd</sup> September 2008 a fight occurred within the premises. Two males were arrested by the Police.

On 26<sup>th</sup> September 2008 a disturbance occurred within the beer garden. Two males were arrested one of whom was also in possession of drugs.

On 1<sup>st</sup> November 2008 an argument developed within the premises. This resulted in one party stabbing the other three times to the stomach. This matter was crimed as an attempted murder and the offender has been arrested.

These incidents clearly undermine the Crime and Disorder Objective. Merseyside Police are seeking conditions that two SIA registered doorstaff are on duty from 2100 hrs whenever the premises are having entertainment and that the CCTV within the premises is to the local authority specification.

T/P [REDACTED]

00:18:25 SHE IS CELEBRATING HER BIRTHDAY AND MAY BE AVAILABLE TO PROVIDE MG11 IN A FEW HOURS, IF NOT, IN THE MORNING.  
 insp draper...i have spoken to the manager thomas kennedy on 630 0190 i have explained that a range of tactics were available and while the incident was ongoing we were not able to keep him fully informed he is now aware that at all times we were acting with the safety of his staff and customers as a paramount consideration . mr kennedy is now very happy with the response and i will arrange for a visit pm tomorrow

with regards to critical incident i have decided that although this matter does fit the criteria for critical incident with the result being effectively managed with no danger to the public and that the imitation firearm has been recovered and three males arrested that now this is sufficient for this matter to be tagged for the attention of the command team and not declared a critical incident...

### **General – all four licensing objectives**

Following an assessment of the premises and its surrounding areas the following is proposed:

30 minute “drinking up” time will allow appropriate dispersal, use of lavatories etc  
In order to further the licensing objectives the licensee reserves the right to move the fire appliances, AWP machines, cigarette machines and or any other similar objects temporarily in a fixed location which may impact on the ability of individuals on the premises to use exits or escape routes without impediment.

The licensee will undertake all responsible steps to ensure that his premises at all times will have a positive impact upon the local environment and its residents.

### **The prevention of crime and disorder**

The public house is a well lit exterior as is the outside drinking area.

There are three licensed premises locally, all catering for different clientele.

Most customers are from the local area.

CCTV equipment is installed properly and recordings will be maintained for an appropriate period of time, if the equipment fails immediate steps will be taken to put the equipment back into action.

Customers are not permitted to take open containers of alcohol or soft drinks from the premises.

All bottles and glasses are removed from public areas as soon as they are finished or empty.

All instances of crime and disorder will be reported to the police as soon as reasonably practicable.

All inclusive nights or other irresponsible drink promotions are not permitted.

### **Public safety**

The public house has emergency lighting, illuminated signs, fire fighting equipment and a fire alarm. The public house operates a smoking charter.

We have conducted a suitable risk assessment at the premises and implemented the necessary control measures.

### **The prevention of public nuisance**

The public house has a managed customer departure policy. It has lockable windows to manage noise and the fabric of the building retains sound. There are no adjoining local residents.

Noise or vibration from the premises will be maintained at a level that will not be audible at the façade of any neighbouring noise sensitive premises. All ventilation and extraction systems are designed and maintained so as to prevent noxious smells causing a nuisance to nearby properties.

### **The protection of children from harm**

No unaccompanied children are allowed after 20:00.

We operate a proof of age policy.
