- 4.2. Following a consultation period, the Department for Communities and Local Government (DCLG) issued the Final Settlement for 2011/13 on 31 January 2011 in advance of the debate in Parliament on 9 February 2011.

- 4.3. In general terms, the Final Settlement confirmed the Formula Grant provisionally allocated to local authorities. The Wirral Formula Grant allocation has been reduced by £10,000 and an additional Specific Grant of £17,000 relating to Inshore Fisheries Conservation has been announced. For a number of other grants, announcements regarding individual allocations are still awaited, particularly from the Home Office. In overall terms there will be a 25% reduction in Home Office grant allocations in 2011/12.
- 4.4. The Final Settlement has increased the minimum guarantee to ensure that no local authority will receive a 'revenue spending power' reduction of more than 8.8% in either 2011/12 or 2012/13. This figure was 8.9% in the Provisional Settlement.
- 4.5. The 'spending power' includes the element for NHS support for health related care services. This allocation has been paid to the health sector but should then be transferred to the Council. The sum of £4.928 million in 2011/12 is to be spent on jointly agreed initiatives to support Adult Social Care where there is a health benefit.
