Licensing Applications
Wirral Metropolitan Borough Council,
Brighton Street
Wallasey.

14th October, 2008

Dear Sir,

I am writing to register an objection to the granting of a License to sell alcohol at the proposed Tesco Express Store in Claughton Village from 07.00-22.00 seven days a week. I understand that at the Planning Committee Meeting on 31st July, opening hours were approved for trading 7.00-22.00 six days a week and 09.00-22.00 on a Sunday, so there would appear to be a discrepancy between this application for longer sales hours than are presently permitted. I am sure you will clarify this issue in considering the application.

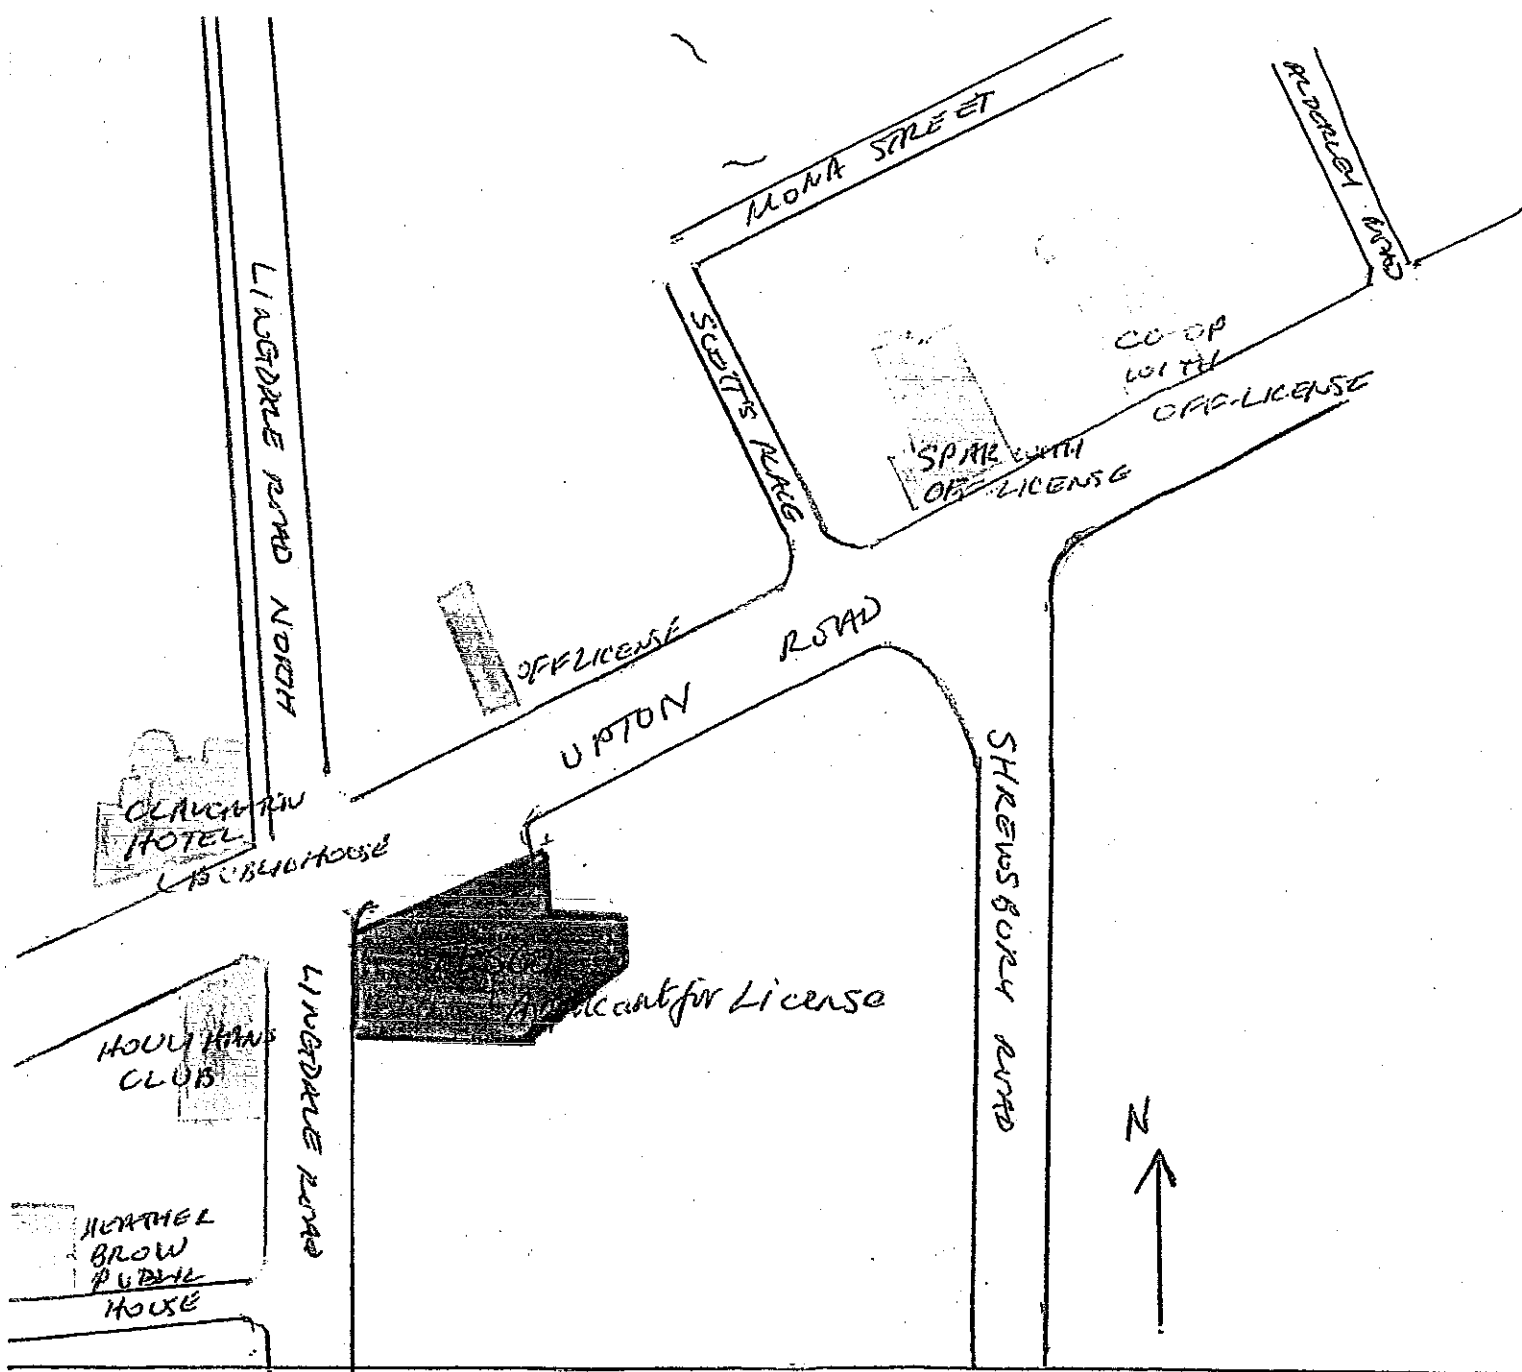

I enclose a sketch to show the number of licensed premises already within the immediate vicinity of the store – two Public Houses, one Club and one Off-License – and two further convenience stores, the Spar and the Coop, scarcely a minute's walk away

Considerable concern has already been expressed recently in newspapers, the media and by doctors about the high level of alcohol abuse, alcohol-related illnesses and violence and underage age drinking on the Wirral. Claughton Village, its side roads and the environs of nearby Birkenhead Park give daily testimony of these activities with broken bottles of alcohol and beer cans on pavements and in hedges and evidence of vomit and regular urination in gateways and entrances.

Whilst realizing Tesco's desire to sell alcohol, this is not one supported by most local, mature residents, who already have ample access to the purchase of alcohol in Claughton Village and are fully aware that they can obtain alcohol from a 24 hour Tesco Extra less than 2 miles away. The granting of this application can only be an encouragement to furthering the problems of alcohol abuse in the area. It would behove the Committee to remember that Bourneville in Birmingham had the courage to deny Tesco a license there, and I ask you to show the same courage to deny this application, being aware of the social implications of granting a license which will bring seven outlets for alcohol within two minutes walk of each other.

Yours sincerely,

Dear Sir,

Please find enclosed a petition which has been collected by members of the above Union in opposition of the planned granting of the license to allow alcohol to be sold by Tesco. at 11/15 Upton Road , Claughton Village, Birkenhed, Wirral.

This application if granted would be just one more retailer to add to the other six in a 100 Metre radius around the beautiful Village of Claughton which are plying their trade selling alcohol. How many more retailers do we need selling alcohol in one area ?

We believe as a Union that any further retail of alcohol units opening will be to the detriment of this village.

We hope that you will consider our members lively-hoods and futures when this application comes before you.

Yours Sincerely.
