P Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e) (please read guidance note 9)

We are a national retailer that sells alcohol as part of a broad offering of goods and services. We have held off-licences in our stores for many years and are an approved British Institute of Inn-keeping examination centre. We have written training policies and formal training programmes are in place, which ensure our people are equipped to meet all licensing objectives. All training and revision/refresher materials are reviewed regularly. We have introduced our 'Think 21' policy to all of our stores in July 2004, this policy is brought to customer's attention through point of sale material at the checkout and wherever alcohol is displayed for sale. We take legal compliance very seriously and in addition to local training we employ a central alcohol licensing compliance manager and have a compliance committee.

b) The prevention of crime and disorder

The premises will have digital CCTV system that covers many areas of the shop floor, including the proposed area which will be used for beer and wine, should we be successful with our application. Images will be retained for a minimum of 21 days and made available on enforcement request. A member of the Management team will be on the premises all the time the store is open. Checkout area will be constantly manned whilst the store is open.

c) Public safety

A member of the Management team will be on the premises all the time the store is open and will be trained to manage the store including looking after the safety of the public. The store will adhere to all rules and regulations relating to public safety.

d) The prevention of public nuisance

The store intends to be an active member of the community. We will be happy to liaise with Police and enforcement authorities should the need arise.

e) The protection of children from harm

All staff will be trained and regularly refreshed in the corporate 'Think 21' Policy. Staff will be trained to look at the customer and 'Think 21' when selling age restricted products. A till prompt will appear on the initial sale of alcohol that will remind the seller of the Think 21 policy and remind staff not to sell alcohol to anyone under the age of 18. When alcohol is refused by the seller after the product has been scanned the refusal will be recorded in a report that can be produced at store level on a weekly basis. The store will display signage around the premises informing both staff and customers of our 'Think 21' policy.
