This application to review relates to the following licensing objective(s)

Please tick one or more boxes

- | | |
|---|-------------------------------------|
| 1) the prevention of crime and disorder | <input checked="" type="checkbox"/> |
| 2) public safety | <input checked="" type="checkbox"/> |
| 3) the prevention of public nuisance | <input type="checkbox"/> |
| 4) the protection of children from harm | <input type="checkbox"/> |

Please state the ground(s) for review (please read guidance note 1)

Numerous matters of disorder have occurred within and outside the premises and in particular there have been two glassings in recent months.

Please provide as much information as possible to support the application
(please read guidance note 2)

On 13th December 2007 Police attended Sophies bar a report of a glassing. Enquiries revealed that a male had been glassed on his head. The injured party had been drunk and he attended Arrowe Park Hospital where he claimed to have 25 stitches put into his head. The male did not make a statement of complaint in relation to the assault and consequently no persons have been arrested.

On 26th May 2008 a 17 year old male was assaulted in the toilets of Sherlocks.

In a separate incident on the same night a female caller was ejected from the premises by doorstaff. She reports that the incident started when some people that were with her tried to glass her boyfriend.

On 17th August 2008 a male was bottled in the face in Sherlocks. He was drunk at the time and refused to make a complaint. As a result of this I spoke with Ray Kerr from the premises who agreed that he would move over to plastic glasses to prevent any further incidents of this type occurring. He attended Wallasey Police station later the same day and produced a receipt for a quantity of plastic glasses.

On 19th October 2008 a 20 year old female was glassed inside sherlocks. The offender was detained by doorstaff and then arrested.

There have now been three incidents of glassing within these premises within 12 months. There was also the potential for a further incident on 26th May. Two nearby premises have also had two incidents of glassings within the last six months. This indicates that persons who attend premises in this vicinity are prepared to resort to high levels of violence and use glass as a weapon.

These are very serious offences that always result in very serious injury. These offences clearly undermine the crime and disorder objective. The premises already has doorstaff and a comprehensive CCTV system. The premises agreed voluntarily to move to plastic glasses some six weeks ago but the incident on 19th October shows that they are not using them as agreed. Merseyside Police are seeking a condition on the licence that no glass is served to any customers and plastic glasses and bottles must be used while the premises are open. This does not prevent glass bottles being purchased but they must be transferred into a plastic glass at the point of sale.

Please tick yes

I am the above named person and I reside at the address provided to me police.

On Saturday 18th October 2008 I was on a night out in Birkenhead.

At approximately 0100 hours on Sunday 19th October 2008 I went to SHERLOCKS bar. At this point, I had had about 4 bottles of WKD and 2 SMIRNOFF ICE, and I did not feel drunk. I went into SHERLOCKS with my sister, sister in law, and mother. Whilst I was in SHERLOCKS, I saw my cousin dancing, I know him as FROGGY NICHE. I said hello to him and he said hello back.

About 20 minutes later I went outside to the smoking area. I was talking to Wesley HIGGINS and John LEACH, and then I saw that FROGGY had also come outside. I said hello to FROGGY and a female that I do not know asked me how I knew FROGGY. As I bent down to talk to her, FROGGY reached over the top of me in order to punch LEACH. He punched LEACH in the face. I stood up straight and as I did so I saw that FROGGY had a half pint glass in his right hand. He was directly in front of me.

He took a swing from his drink and then hit me round the side of my head with it. I think he was aiming to hit LEACH with it but got me by mistake.

There was a lot of blood coming from my head at the ^{left} ~~right~~ hand side of my forehead near my temple. I have severe aching to my head and my face and I have a 'V' shaped cut to my head.

I wish to make a complaint to the police and am willing to go to court over the matter.

At about 2:30 am on Monday 26th May 2008 I was in SHERLOCK'S night club, CONWAY STREET, BIRKENHEAD. I was out with my friends ADRIAN WOODER, ERIC NIXON and ALLEN WILLIAMSON. At that time I went to the toilet and as I did I felt ^{OJL} somebody come up to me to the side of my face by, who felt like, two separate people.

ML

Before I realised what was happening, the door staff had taken hold of a number of bouncers and escorted them out. I was re-joined by my friends and we stayed for the next half an hour when the club closed.

As we walked out of the club I got chatting to a group of bouncers outside. I asked them if they had seen who had happened in the club. One of the bouncers said "YES IT WAS ME THAT HIT YOU!"

There were about 7-8 people in

the group and a number of them started to say to me "COME ON ROUND THE BACK - THERE'S NO POLICE THERE, WE'LL HAVE YOU A FIGHT."

We decided to leave and headed towards the taxi rank in ARGYLE STREET.

One of my friends wanted something to eat so we went to the take away over the road from ARGYLE TAXIS, I think then in a ~~place~~^{place} GREEK take away.

NL

As we were talking outside the group of both came back and again tried to get me to go for a fight down the alleyway.

I refused to get involved and one of the group, followed by a few others, walked towards me and continued to ask me to fight him. The witness warning he punched me to my nose. At the same time my friends grabbed hold of me and pulled me away.

The last was pulled away by the friends and the two groups separated. I am not sure what happened next but one of the staff in the Greek take away offered to help me as I was bleeding badly. I called for an ambulance ^{DJL} as my nose was misshapen.

NL

I was taken to Armore Park Hospital where I was treated for cuts to my forehead.

and damage to my nose.

The God who told me had hit me in the club was a white God about 18-19 years of age about 5'5" tall and of fairly large build.

He had black hair which was short and spiked. He looked neat and tidy and I think he was clean shaven.

The God that punched me later was also a white God about the same age. He was about 5'10" tall and of medium build. He had light brown hair which was short-cropped. He also looked fairly neat and tidy.

I have looked on "BEBO.COM" and have found images of these two Gods. I have since found out via friends that the second God is called CHRIS CARRNESS or CHRIS EFFCESS.

The other God is possibly ~~STEVE~~^{OTL} STEVE McCANN.

CHRIS is supposed to live in one of the houses opposite BERINGTON RAILWAY STATION, OLD CHESTER ROAD, BERINGTON and he is possibly in the army.

I would recognize them again and I am willing to go to court on the matter. I have heard the Victim Personal Commission explained to me I do not wish to do an additional statement at the scope but I understand I can make one at a later date.

Metropolitan Borough of Wirral
Local Government (Miscellaneous Provisions) Act 1982 – Schedule 1 (as amended)

PUBLIC ENTERTAINMENT LICENCE CONDITIONS
SHERLOCKS

1. Definition For the purposes of these conditions the Licensing Authority shall be Wirral Borough Council.
2. The Licensee The Licensee, or some responsible person nominated by him/her in writing shall be in charge of and be upon the licensed premises for the whole of the time the premises are open to the public. The person in charge shall not be engaged in any duties that prevent him/her from exercising general supervision. The Licensee remains responsible at all times for the observance of the Licensing Conditions.
3. Permitted Hours The premises shall only be used for public entertainment on the days and during the hours indicated below:

As amended (see Premises Licence)
4. Maximum Occupancy The maximum number of persons allowed in the licensed premises shall be as indicated below:

220 Loose Seated

The Licensee/person nominated by the Licensee shall ensure that the maximum occupancy specified above is not exceeded and shall be aware of the number of the public on the premises. This information shall be provided to any Authorised Officers immediately on request.
5. Safety Stewards to be on Duty The minimum number of competent Safety Stewards to be on duty during the whole time that public entertainment is taking place shall be as indicated below:

Three Safety Stewards

The primary duty of Safety Stewards is to ensure that safe conditions are maintained in the premises and to achieve this they must:
 - a) have received training and written instructions on basic fire prevention and action to be taken in the event of an emergency
 - b) keep all gangways and exits clear at all times
 - c) prevent standing on seats and furniture
 - d) ensure the safe evacuation of the premises in the event of an emergency and be aware of any special requirements in these circumstances

Safety Stewards should be readily identifiable to the public by wearing a badge or other distinctive marking.

A record of Safety Stewards on duty must be in a form prescribed by the Licensing Authority and must be kept for a period of 12 months from the date of last entry in the book.

6. Door Supervisors

The minimum number of Door Supervisors to be on duty during the whole time that public entertainment is taking place shall be as indicated below:

Three Door Supervisors

The number of Door Supervisors required is subject to amendment following any change of circumstances relating to the premises.

A Door Supervisor is responsible for security, protection, screening the suitability of people entering the premises and dealing with conflict within the premises.

Anyone employed as a Door Supervisor must be registered with the Security Industry Authority (SIA).

All Door Supervisors must wear their SIA Badge (licence) where it can be seen clearly and distinctly at all times when working.

The Licensee shall keep and maintain a Door Supervisors Register issued by the Licensing Authority in accordance with the notes of guidance on the inside cover of the register. The register shall be produced on demand to any Authorised Officer and must be kept for a period of 12 months from the date of the last entry in the book.

7. CCTV cameras

The requirement for CCTV cameras on the Licensed premises shall be as indicated below:

Premises that are required to have CCTV installed must meet the minimum specification approved by the Licensing Authority and Merseyside Police (See Appendix 1). This specification will be subject to change as technology advances. Certified proof of compliance with this specification must be provided to the Licensing Authority.

Recordings must be kept for a minimum of 31 days. An Authorised Officer may at any time request to view a recording. Failure to comply with this request will be regarded as a serious breach of this condition.

Licensees must be able to demonstrate that they have devised a recording management system that prevents recordings being tampered with, stolen, misplaced or a failure to record.

In the event of a breakdown of the system, the licensee must notify the Police Licensing Section and the Licensing Authority as soon as

possible and arrange for its repair without undue delay.

8. Incident Record Book The Licensee shall keep and maintain an Incident Report Book issued by the Licensing Authority. This book must be maintained in accordance with the notes of guidance on the inside cover of the book. This book is to record incidents in and around the licensed premises. The book shall be produced on demand to any Authorised Officer and must be kept for a period of 12 months from the last date of entry.

9. Drug Safe The requirement of a Drug Safe shall be as indicated below:

Where it is specified above that a Drug Safe is required on the premises the following conditions will apply:

a) The Licensee shall install in the premises within a period of one month from the grant of the Public Entertainment Licence a drug safe approved by the Chief Constable of Merseyside Police or his representative in a location and in a manner approved by the Chief Constable of Merseyside Police or his representative.

b) The Licensee thereafter shall ensure that the drug safe is at all times maintained in such agreed location.

c) The Licensee shall immediately notify both the Licensing Authority and the representative of Merseyside Police if the drug safe is in any way damaged.

d) The Licensee shall ensure that all substances confiscated from persons entering or within the premises are immediately deposited in the drug safe and an entry is made in the premises incident record book recording details of the items seized, date and time of seizure.

e) The Licensee shall afford Merseyside Police Officers reasonable access to remove the substances deposited in the drug safe.

10. Display of Licence Copies of the Licence and the Licensing Conditions must be available for inspection at the premises at all times by authorised officers of the Licensing Authority, Merseyside Fire Brigade and any Police Officer.

11. Management of Premises The Licensee shall in all things conduct the premises quietly, decently, soberly and in an orderly manner and shall seek to promote the following objectives at all times:

The Prevention of Crime and Disorder
Public Safety
The Prevention of Public Nuisance
The Protection of Children from Harm

The Licensee shall not allow any function, performance or entertainment to take place on the premises which is contrary to

common law statute or any other unlawful act.

12. Authorised Officers Admission to any part of the licensed premises shall be given at all reasonable times to authorised officers of the Licensing Authority, Merseyside Fire Brigade and to any Police Officer.
13. Safety Precautions
The Licensee shall take all due precautions for the safety of the public, performers and staff and shall make suitable arrangements as to the action which shall be taken in the event of fire, panic or other emergencies and shall instruct all performers and staff in these arrangements, which at all times must be to the satisfaction of the Licensing Authority.

The Licensee/person nominated by the Licensee shall ensure that all necessary safety checks have been carried out before the admission of the public.
14. Fire Warning The premises shall be provided with appropriate means of giving warning in case of fire, to the satisfaction of the Chief Fire Officer.
15. Fire Notices Notices detailing the actions to be taken in the event of a fire or other emergencies, including how the Fire Brigade can be summoned shall be prominently displayed and shall be protected from damage or deterioration.
16. Certification:
Suspended Ceilings
Electrical Installation The premises shall not be used for public entertainment unless there are in force current satisfactory certificates of safety for electrical installation and suspended ceilings.
17. Drapes, Props All drapery and props used in connection with any stage shall be made of material which is not readily inflammable or of a material which has been rendered fire retardant in either case to the satisfaction of the Chief Fire Officer.
18. First Aid The Licensee/person nominated by the Licensee shall ensure that an adequate and appropriate supply of first aid equipment and materials is available on the premises
19. Number, Size and Markings of Doors The number, size and position of all doors or openings provided for the purpose of the egress of the public from the premises shall be to the satisfaction of the Licensing Authority.
20. Exits to open Outwards All exit doors and gates shall be constructed to open outwards, except that external doors or gates opening inwards shall be permitted provided that such doors or gates shall be locked back open and shall not form an obstruction while members of the public are on the licensed premises.
21. Exits and Exit Fastenings Each exit shall permit uninterrupted egress at all times. In addition each exit shall be kept free and unobstructed and be clearly indicated by the word 'EXIT'. All exit doors must be easily opened without the use of a key, card, code or similar means. Doors affording means of exit shall only be secured in a manner approved by the Licensing Authority.

NOTE: The area(s) shaded green (fire exits) on the plan attached to

the Licence are fire exits.

22. Exit Notices
Exit notices shall be to an approved specification and illuminated when the premises are in use. The specification and method of illumination shall be to the satisfaction of the Licensing Authority.
23. Floor Coverings
All floor coverings shall be secured and maintained so that they will not be likely to ruck or to be in any way a source of danger.
24. Steps/Stairways
The edges of the treads of steps and stairways shall be maintained so as to be conspicuous.
25. Emergency Lighting
A system of emergency lighting shall, if required, be provided on the premises to the satisfaction of the Licensing Authority.
26. Gangways should be kept clear
No person except the Licensee, safety stewards or door supervisors shall be permitted to stand, sit or remain in any vestibule, passageway, staircase, lobby, corridor, gangway or vacant space forming part of any exit way of the licensed premises or to use the same for any purpose except that of passing to or from the licensed premises or any part thereof.
27. Sanitation
Adequate separate toilet accommodation shall be provided and ventilated to the satisfaction of the Licensing Authority. All public toilets on the premises shall be kept properly cleansed and disinfected and supplied with all proper requisites.
28. Food Hygiene Regulations
The facilities for and the preparation of food and drink shall comply with the Food Safety (General Food Hygiene) Regulations 1995 and any other relevant statutory provisions.
29. Heating
All heating appliances shall be protected to the satisfaction of the Licensing Authority. The use of any portable or mobile heating appliance is prohibited without the express written consent of the Chief Fire Officer. Appliances using petroleum fuels shall not be used or stored in the licensed premises.
30. Furnishing Materials
The provision, repair, renovation and renewal of soft floor coverings and upholstered furniture shall be carried out with materials that will achieve the fire retardant standards required by the Chief Fire Officer.
31. Compliance with other statutory requirement
The Licensee/person nominated by the Licensee shall comply with any other statutory requirements and provide any necessary certification as required by the Chief Fire Officer, Merseyside Police, Environmental Health and any other responsible body.
32. Production of Relevant Insurance Documents
If required by the Licensing Authority any insurance documents in relation to the licensed premises shall be produced for inspection at any time by the Licensee to Authorised Officers of the Licensing Authority, Merseyside Fire Brigade and any Police Officer, at the premises or at any other location at their discretion.
33. Smoking
Smoking shall be prohibited on any stage and stage area except insofar as may be necessary in connection with the programme when suitable precautions against risk of fire shall be taken. Notices stating that smoking is prohibited shall be posted in suitable positions near the stage. Real flame shall not be employed on the

stage without the consent of the Chief Fire Officer.

34. Housekeeping No accumulation of rubbish or other combustible material shall be permitted to remain in any part of the licensed premises.
35. Explosives, inflammables, Smoke or Fog-producing Machines Explosives, inflammable liquids or highly inflammable articles shall not be brought into or used in any portion of the licensed premises. Flash powder, smoke or fog-producing machines may only be used with the written consent of the Chief Fire Officer.
36. Alterations or Additions No alterations to the premises whether temporary or permanent shall be made without the written consent of the Licensing Authority.
37. Quiet Notice If required by the Licensing Authority, the Licensee shall cause to be displayed in a conspicuous position in the premises a Notice requesting patrons to leave the premises in a quiet and orderly fashion.
38. Hypnotism Performance No person shall give at the premises (otherwise than as provided by section 5 of the Hypnotism Act, 1952) any exhibition, demonstration or performance of hypnotism, mesmerism or any similar act or process which produces or is intended to produce in any other person any form of induced sleep or trance on which the susceptibility of the mind of that person to suggestion or direction is increased or intended to be increased.
39. Variations The Licensing Authority may waive or modify any of the Conditions of this Licence when requested to do so by the Licensee, such waiver or modification will be in writing and signed by the Director of Regeneration.
40. Fly Posting
- a. Licensees shall ensure that their premises are not in any way promoted by the use of illegal fly posting or unauthorised advertisements attached to street furniture.
 - b. Licensees shall ensure that contracts with promoters for their premises or events to be held at their premises prohibit the use of fly posting and/or advertisements attached to street furniture.
 - c. The Licensee shall explicitly warn promoters that if they do fly post or display any other unauthorised advertisements they will be pursued for the costs of removal that fall on the Licensee and that no further work will be placed with them by the Licensee or any employee of the Licensee.
 - d. The Licensee shall ensure that contracts with promoters include an indemnity to the Licensee for any costs associated with the removal of illegal fly posting or other unauthorised advertisements incurred by the Council.
 - e. The Licensee shall co-operate fully with the Council and assist with identifying and taking action against any suspected promotion of their premises by illegal fly posting and unauthorised advertisements.
 - f. The Licensee shall ensure that whenever their premises and/or events at their premises are promoted by the use of 'flyers':

(1) The distributor shall take responsibility for picking up all discarded flyers within 100 metres of the point of distribution and does so every 15 minutes when distributing.

(2) Where leaflets are dropped in close proximity to the distributor they should be picked up immediately.

(3) Where a distributor fails to do so, no further work will be placed with them by either the Licensee or any other employee of the licensed premises.

g. Licensees shall co-operate fully with the Council and assist with identifying and taking action against any distributors who are suspected of causing unreasonable littering by flyers.
