Dear Ann,

The Cabinet Office has now launched its Government Transformation Strategy, with renewed attention on building better workplace tools & processes to promote the journey to smarter working.

GovNews are delighted to be hosting this **FREE-TO-ATTEND** Government Transformation Forum on 22nd March in Manchester.

Engage with your peers in a high energy ideas exchange and gain the tools, knowledge & insight required to achieve real and lasting change.

- Discover how technological innovations are improving public services & addressing concerns
- Explore how an NHS trust is leading the way with clinical and operational efficiencies, saving **£1m** annually
- Learn how UK Police Forces are improving their services to support citizens and colleagues
- Hear where Local Government is reducing cost and changing the way citizens interact with council service
