Re: Public Consultation on the Port Sunlight Village Conservation Management Plan

Dear Resident,

I am writing to invite you to have your say on the future of the Port Sunlight village conservation area. Port Sunlight Village Trust (PSVT) has written a new Conservation Management Plan (CMP), which sets out our strategy to manage, maintain, conserve and enhance the heritage of our unique village over the next ten years. PSVT consulted widely with residents and stakeholders in 2017 to develop the plan and now we are looking for your feedback on the results.

The CMP includes information about the history, significance, conditions, risks, policies and proposals for the heritage in Port Sunlight. It covers the buildings, landscapes and monuments and memorials in PSVT's care, along with the assets owned and maintained by stakeholders, including private owners, Wirral Borough Council and others.

This letter serves as formal notice of the public consultation for the CMP. Consultation opens on 8<sup>th</sup> May 2018 and closes at 5:00 pm, 13<sup>th</sup> June 2018. Consultation comments and responses will be included in the final CMP, which is scheduled for adoption by Wirral Borough Council this summer.

The CMP, including an executive summary, full report and extensive related appendices are available to download from [portsunlightvillage.com](http://portsunlightvillage.com) within "The Trust" section. Paper copies of the CMP are available to review during normal business hours at the PSVT office at 23 King George's Drive, CH62 5DX and the Community Hub at Bridge Cottage, 23 Park Road, CH62 4US.

Consultation comments will be accepted by post and email to [feedback@portsunlightvillage.com](mailto:feedback@portsunlightvillage.com). As this is a formal consultation, no telephone consultation, verbal feedback or consultation emailed to other addresses will be accepted.

We look forward to hearing your thoughts on the future of heritage in Port Sunlight.

Thank you and best wishes,

Paul Harris  
**Chief Executive**
