SUPPORTING INFORMATION

1.0 REASON/S FOR RECOMMENDATION/S

- 1.1 To ensure Members of the Business Overview and Scrutiny Committee have the opportunity to scrutinise the performance of the Council and partners in relation to delivering the Wirral Plan.

2.0 OTHER OPTIONS CONSIDERED

- 2.1 This report has been developed in line with the approved performance management framework for the Wirral Plan. As such, no other options were considered.

3.0 BACKGROUND INFORMATION

- 3.1 The Wirral Plan is an outcome-focussed, partnership plan which has 18 supporting strategies that set out how each of the 20 pledges will be delivered. For pledges partnership groups have been established to drive forward delivery of the action plans set out in each of the supporting strategies.
- 3.2 Wirral Plan Performance Management Framework has been developed to ensure robust monitoring arrangements are in place. The Wirral Partnership has a robust approach to performance management to ensure all activity is regularly monitored and reviewed.
- 3.3 Data for the identified indicators is released at different times during the year. As a result of this, not all Pledges will have results each quarterly reporting period. Some indicators can be reported quarterly and some only on an annual basis. Annual figures are reported in the quarter they become available against the 2018/19 year end column.
- 3.4 For each of the indicators, a trend is shown (better, same or worse). In most cases, this is determined by comparing the latest data with the previous reporting period i.e. 2017/18 year end. In some cases, i.e. where data accumulates during the year or is subject to seasonal fluctuations, the trend is shown against the same time the previous year. This is indicated in the key at the end of the report.
- 3.5 For some indicators, targets have been set. Where this is the case, a RAGB (red, amber, green, blue) rating is provided against the target and tolerance levels set at the start of the reporting period, with blue indicating performance targets being exceeded.
- 3.6 All Wirral Plan performance reports are published on the performance page of the Council's website. This includes the high-level Wirral Plan overview report and the detailed pledge reports which include updates on progress on all activities set out in the supporting strategy action plans. The link to this web page is set out below:
