

## **HOUSING COMMITTEE**

**28 OCTOBER 2020**

<b>REPORT TITLE:</b>	<b>BUDGET AND PERFORMANCE MONITORING</b>
<b>REPORT OF:</b>	DIRECTOR OF RESOURCES

### **REPORT SUMMARY**

Through the development of Wirral Council's new Governance arrangements and the approval of the Wirral Plan 2025 (currently being refreshed to reflect strategic priorities, as a result of Covid-19) the Authority has committed to developing a budget and performance monitoring framework, which honours the Council's dedication to a more accountable, transparent way of conducting business, policy formation and decision making.

It is proposed that the Performance Framework is modelled on the Covid Dashboard set up at the start of the Coronavirus pandemic. This will enable clear and accessible data to be presented in a timely and meaningful way.

There are a very wide range of data sets that could be included in the Dashboard, and it is proposed that the specific selection will be co-created with members to ensure it is of most relevance and benefit to members.

Aligned with this is the Wirral Plan 2025. The Plan is currently being refreshed to reflect the Covid-19 situation and emerging Recovery Plans. This Plan will set out what the Council wants to achieve, working together with our partners, communities, and businesses to improve the quality of life for our residents.

Our ambition is for:

- A prosperous, inclusive economy where local people can get good jobs and achieve their aspirations.
- A sustainable borough that is not only environmentally friendly but one which plays its part in urgently responding to the environment and climate crisis
- Brighter futures for our young people and families – regardless of their background or where they live
- Safe, vibrant communities where people want to live and raise their families
- Services which help people live happy, healthy, independent, and active lives, with public services there to support them when they need it

### **RECOMMENDATION**

That members note the proposals outlined in the report for shaping future Performance monitoring reports, and that further discussions take place with the Committee Chair and Group Spokesperson in early November so that they can shape monitoring reports for the purposes of this Committee.
