

Policy and Resources Committee

30 June 2021

Correction to Agenda item 11a

Agenda item 11a, Active Travel Funding, Tranche 1, Tranche 2 and Local Authority Capability Funding contains an error.

The published report incorrectly asks Committee to approve three recommendations as published in the original Economy, Regeneration and Development Committee Report of the 8 June 2021

The recommendations made by ERD Committee to the Policy and Resources Committee on the 8 June 2021 are below and include 4 recommendations. These should have been incorporated into the published report.

Resolved (by assent) – That Policy and Resources Committee:

(1) Authorise the Director of Regeneration and Place to accept the grant funding of £1,153,380 allocated to Wirral Council by Liverpool City Region Combined Authority for the Active Travel Fund Tranche 1 and 2 Programmes and accept the Local Authority Active Travel Capability Fund Programme indicative allocation of £286,000

(2) Approve the proposed Active Travel Fund Tranche 1 and 2 Programmes and the Active Travel Capability Fund Programme (“the Programmes”) as set out in Appendices 1, 2 and 3 of this report.

(3) Authorise the Director of Regeneration and Place, in consultation with the Liverpool City Region Combined Authority and the Chair and Spokespersons of the Economy, Regeneration and Development Committee to amend the Programmes if required having due regard to any issues that may arise during design or consultation stages of projects.

(4) Note that the above authority and approvals are subject to the schemes at the Crescent and proposed cycle way through Wallasey and New Brighton being deferred until a consultation process has taken place.
