TOURISM, COMMUNITIES, CULTURE AND LEISURE COMMITTEE

27 JULY, 2021

18 COMMUNITY SAFETY STRATEGY

Nikki Butterworth, Director of Neighbourhood Services, introduced this report regarding the Community Safety Strategy which was a statutory responsibility for Councils. The report introduced the Community Safety Strategy 2021-2026 which had been co-produced following significant consultation with a wide range of stakeholders.

Members debated types of crime reported to them or of concern to them, such as domestic violence, anti-social behaviour, hate crime and road safety, and wished for a greater frequency of reporting than annually. Paul Morrison, Neighbourhood Safety Officer, and Police Superintendent Martin Earle answered Members questions.

Resolved – That

- (1) the Crime and Disorder Reduction Strategy (Community Safety Strategy) be noted and its submission to the Council Meeting for final approval be endorsed.**
- (2) the Assistant Director Neighbourhoods, Safety and Transport be requested to provide regular updates (twice a year) to the Committee on the progress made in respect to the delivery of the Crime and Disorder Reduction Strategy (Community Safety Strategy).**
