### Main Points:

- The number of responses is low however it does give some feedback and areas for further work.
- Learning and achievement scored the best with no red responses.
- Police and Community Safety had the most positive score receiving a high 61% green rating.
- Transport scored well and this may reflect the information given at the meeting in July.
- There is more to be done across the board and the specific comments from the Parliament Feedback session provide areas for follow up. The comments are attached for information.
