Dear Colleague

**RE: EXECUTIVE YOUTH BOARD AND YOUTH OPPORTUNITY FUND/ YOUTH
CAPITAL FUND GRANT PANEL**

Attached is a briefing regarding the establishment of the Executive Youth Board and the Youth Opportunity Fund/Youth Capital Fund Grant Panel 2008/09. The attached briefing outlines the selection process for both groups for this year. It is intended that this process will apply for this year only.

At this year's UKYP elections young people were consulted on how best to select the EYB, a common thread was that it should not be a popularity contest, therefore I intend to work with this year's EYB to identify the process that best responds to the views of the young people. I will also be consulting with colleagues including yourself to ensure that the process is manageable within existing constraints.

The briefing gives deadlines for applications and explains the process. We will be contacting all the young people who have already expressed an interest in becoming a member of either group, and I would be grateful if you could make other young people aware of this opportunity. I am grateful for any assistance you can offer and if you have any queries, please do not hesitate to contact me or Debbie McCabe.

Once again many thanks for your help.

Yours Sincerely

Maureen Mc Daid
Head of Youth & Play Service
