1. Executive Summary

- 1.1 Further to the Cabinet report, there have been some further recommendations agreed by Ward Councillors which were not available at the time of producing and publishing the Cabinet report. These recommendations are now available for consideration and approval by Cabinet.

2. Recommendations

- 2.1 Cabinet is requested to note and approve the award of funding for Empty Shops Fund and Funds for You / Public Health Funding as set out in this addendum to the Cabinet report. This will supplement the recommendations contained within the Cabinet report and supersedes the request for delegated authority with regards to Funds for You / Public Health Funding.

3. Empty Shops Fund

- 3.1 The Revival Hub application for the Oxton and Prenton area forum (see overleaf) was approved and agreed by Ward Councillors for the original amount of £8,000. Ward Councillors have considered and agreed the revised amount requested of £13,000.
- 3.2 Cabinet are requested to approve the revised allocation for the project and that the £4,500 remaining Empty Shops Fund for this area will remain available to be used by the Oxton and Prenton area forum in line with their Neighbourhood Plan priorities as outlined in section 7.3 of the Cabinet report.
