AGENDA SUPPLEMENT

3. ENVIRONMENTAL ENFORCEMENT CONTRACT (Pages 1 - 2)

Amendment to Notice of Motion.

A handwritten signature in black ink, appearing to be "P. Sebastian".

Director: Governance and Assurance

Audio/Visual Recording of Meetings

Everyone is welcome to record meetings of the Council and its Committees using non-disruptive methods. For particular meetings we may identify a 'designated area' for you to record from. If you have any questions about this please contact Committee and Civic Services (members of the press please contact the Press Office). Please note that the Chair of the meeting has the discretion to halt any recording for a number of reasons, including disruption caused by the filming or the nature of the business being conducted.

Persons making recordings are requested not to put undue restrictions on the material produced so that it can be reused and edited by all local people and organisations on a non-commercial basis.

Amendment(s) to Notices of Motion

The Council is requested to consider the following amendments, submitted in accordance with Standing Order 12(1) and (9)

(1) Notice of Motion No. 1 – TOWARDS A NEW APPROACH TO WASTE ENFORCEMENT

Amendment – request to alter the wording of a motion

Proposed by Councillor Anita Leech

Seconded by Councillor Phil Davies

After 'Council recognises that:'

Replace paragraph A with the following:

“The ‘zero tolerance’ approach to littering and dog fouling was an appropriate response to the many complaints the Council received from members of the public about the poor condition of the Borough. Council is concerned that any move away from a zero-tolerance approach would send a dangerous signal that it is permissible to drop litter and allow dogs to foul as no consequences will ensue.”

Replace paragraph C with the following

“A range of possible models for a new service should be explored, based on evidence of good practice elsewhere. Key issues to consider include the need to strike a balance between education and enforcement and the financial implications of introducing a new model.”
