SUPPLEMENTARY AGENDA

6. WORK PROGRAMME (Pages 1 - 14)

This page is intentionally left blank

Updated Work Programme for Children and Young People Overview and Scrutiny Committee.

BEGINNING OF THE MUNICIPAL YEAR 2010 /2011

It was agreed at the Overview and Scrutiny Chairs meeting to adopt the following procedure to allow the committee members to monitor their work programme. It is felt that the work programme should be a 'living' document and as such is intended to act as a guide for the Committee throughout the year, while providing the degree of flexibility needed to respond to any emerging or pressing issues as they arise. Committee members, and particularly the Chair, should have a major role in owning and managing the work programme.

The final item on the agenda for each Scrutiny Committee will be 'Review of the Committee Work Programme'.

It is suggested that there should be four short reports. I have attached the following reports:

REPORT 1 - Lists all the issues the committee agreed to include in their Work Programme:

This report lists all items that have been selected by the Committee for inclusion on the work programme for the current year.

It also includes items, such as previous Panel Reviews, where recommendations have been made to Cabinet. It is important that the implementation of these recommendations is monitored. Otherwise there is no measure of the success of scrutiny.

For each item on the work programme, the report gives a description, an indication of how the item will be dealt with, a where possible a relative timescale for the work and brief comments on progress.

REPORT 2 - Suggestions for Additions to Work Programme

The Work Programme for the Committee should be reviewed at each meeting. This will include members having the opportunity to ask for new items to be added to the programme. This report will list any newly suggested items. Committee will then have the opportunity to agree (or not) for them to be added to the programme.

REPORT 3 - Proposed Outline Meeting Schedule for the Municipal Year

The report lists those items which are likely to be on the meeting agenda. This will give the opportunity for Committee members to take a greater lead in organising their work programme.

REPORT 4 - Progress Report on In-Depth Panel Reviews

This report will give a very brief update on progress / timescales for in-depth panel reviews which are in the 'ownership' of the Committee.

An appendix to the report also detailed the impact on a variety of projects of any potential reduction in funding from specific grants. The Council's deployment of General Fund was currently the subject of widespread public consultation.</p> <p>Peter Edmondson, Head of Participation and Inclusion and the Interim Director responded to comments from Members and agreed to provide data for the Committee on attendance figures at the Youth Hubs, which did fluctuate with the seasons. Information was not yet available on the size of the new Early Intervention Grant. The settlement figure for the Council was due from the Government in December and also information on what ringfencing of grants might be removed and further reports on this would be brought back to future meetings.</p>	

			<p>Responding to further comments, Peter Edmondson and the Interim Director also elaborated on the success and use of the Teen Wirral website and the Rampworx Skatepark in Birkenhead. <p>26th Jan 2011</p>	<p><u>Wirral’s Sure Start provision for children and their families</u></p>		<p>At the request of the Committee, the Interim Director of Children's Services submitted a report which outlined the development in Wirral's Sure Start provision for children and their families. The report informed members of the statutory duties within the Early Year developments and set out the key priorities and challenges.</p> <p>With 16 Sure Start Children's Centres it was important that Wirral ensured they sustained a fully operational position, delivering their ‘full core offer’ within two years of designation. The full core offer included support for:</p> <ul style="list-style-type: none"> • Childcare • Family support • Health services • Employment advice from Job Centre Plus • Access to the local authority's information, advice and assistance service. <p>The key priorities and challenges included:</p> <ul style="list-style-type: none"> • Continuing to fill the gaps between demand and supply identified in the Childcare Sufficiency Assessment to secure, as far as reasonably practicable, sufficient childcare for working parents of children up to the 	

age of 14 ('18 for disabled children) supported by the delivery of a high quality information service for local families, parents and carers.

- Promote the take up of formal childcare (including both the free early education entitlement and paid - for childcare supported through tax credits), in particular amongst lower income families.
- Focus sharply on continuing to raise the standard of early learning and care provision by excellent delivery of the Early Years Foundation Stage, to secure a strong foundation for children's learning and development throughout other key stages.
- Deliver a reduction in the achievement gap between the lowest achieving children and the rest, in the context of securing better results for all 5 year olds.
- Continue to professionalise the early year's workforce by encouraging investment in, and equal access to, staff qualifications, particularly in the PVI sector and for childminders.

Responding to comments from Members, both the Interim Director and Mark Parkinson, Head of Learning & Achievement, informed the Committee that a number of separate grants would, in the coming financial year, be rolled into one single Early Intervention Grant. There would be a reduction in the size of the grant and it would be necessary to look at prioritising needs, though the Department would continue to deliver the key priorities, including those identified above. multi-agency working.

The grant would be £15.1m for the coming year of which about £10m would be spent on Sure Start, although it was acknowledged that the grant would no

			<p>longer be ring-fenced. They went on to outline some of the work being done to engage with hard to reach families and suggested that a further report could be brought back on Resolved – That Committee notes the scope of the Sure Start service delivery across Wirral for children and families.</p>	<p>26th Jan 2011</p>
	<p><u>A Report on support provided to Wirral school governors by the Council</u></p>		<p>At the request of the Committee, the Interim Director of Children's Services submitted a report on support provided to Wirral school governors by the Council.</p> <p>Currently Wirral Council maintained 124 schools, all of which had to have a single Governing Body and they had a wide range of statutory duties under law. There were currently over 2000 governors supporting Wirral schools, making it one of the biggest volunteer forces on the Wirral. All governors in maintained schools were members of the Wirral Governors' Forum which coordinated representation for Wirral Governors on a range of bodies locally, regionally and nationally, including the Wirral Schools' Forum and the Wirral Children's Trust Board. The Chair and Vice-Chair of Wirral Governors' Forum also liaised with senior colleagues in Wirral Council on the strategic development of support for Governors and also with the Governor Support Service.</p> <p>To support these volunteers, Wirral Council ran its Governor Support Service which was mainly served by three full-time Council employees with a manager and two admin supports</p> <p>It was overseen by a Strategic Service Manager, with many other staff and colleagues providing support directly and indirectly.</p>	

	<p>Members of the Committee, in particular, Jane Owens, Chair of the Governors' Forum and Richard Neale, Vice Chair of the Forum, expressed their support for the service, regarded as one of the best in the area.</p> <p>Responding to comments from Members, the Interim Director assured the Committee of the continuation of the service which, following the early voluntary retirement of the manager of the service, Margaret Dunfey, at the end of March, would be restructured. Representatives of Wirral Governors' Forum would be consulted as to the future strategic direction of Governor Support Services. The potential for shared service possibilities was also being explored with the Council's partners in the Learn Together Partnership for governor support services.</p> <p>Resolved –</p> <p>(1) That the report be noted.</p> <p>(2) That this Committee expresses its appreciation of the Governor Support Service and that the thanks of this Committee be accorded to Margaret Dunfey for all her work with the service.</p>
