80 REVENUE MONITORING 2017/18 QUARTER 3

Councillor Janette Williamson (Cabinet Member for Finance and Income Generation) said:

"The Council continues to plan and manage its budget in a sustainable, responsible and robust fashion. There are enormous demands on our services and we must ensure we can be flexible to react to changing circumstances.

"We continue to look for opportunities to make best use of the resources available, ensuring they are well managed, used to deliver best value for Wirral residents, and enable us to deliver our 20 Pledges."

Councillor Janette Williamson introduced a report that set out the projected revenue position for 2017/18 as at the end of Quarter 3 (31 December 2017).

Councillor Williamson highlighted that the latest forecast which was an underspend of £1.3 million for 2017/18. This was an improvement on the Quarter 2 forecast overspend of £1.2 million, primarily the result of the approval by Council on the 11 December 2017 of the Treasury Management Mid-Year report that recommended a change in the Minimum Revenue Provision (MRP) Policy for assets funded from supported capital. By adopting an asset life annuity approach the in-year reduction of MRP charges would be realised in 2017/18.

This was a key decision which affected all Wards in the Borough.

RESOLVED: That:

- (1) The Quarter 3 forecast year-end underspend of £1.3 million, which incorporated a £4.5 million adverse variance relating to Children's Services and related legal costs, and the projected General Fund Balances of £14.1 million at 31 March 2018, be noted; and**
- (2) Officers continue to identify actions and measures to effectively manage the overall budget and reduce the impact of any adverse projected overspends.**

81 **CAPITAL MONITORING 2017/18 QUARTER 3**

Councillor Janette Williamson (Cabinet Member for Finance and Income Generation) said:

“This report demonstrates the major investment we are making against our priorities. It shows the sensible and pragmatic steps we are taking to make best use of the resources available to develop our assets to support our services to the public”.

Councillor Janette Williamson introduced a report which provided an update on the progress in delivering the Capital Programme 2017/18 at the end of December 2017.

The report recommended that the Cabinet approve an amended 2017/18 Capital Programme of £59.4 million which took into account re-profiling, new bids, revised grants etc. identified since the Quarter 2 monitoring report. It was noted that the expenditure to date was £26.0 million.

This matter was a Key Decision which affected all Wards within the Borough.

RESOLVED: That:

- (1) The expenditure at Quarter 3 of £26.0 million be noted;**
- (2) The new bid of £0.18 million (Mobile I.T. equipment for Social Workers, paragraph 3.3.1 of the report) be approved for inclusion in the programme and referred to Council;**
- (3) The revised Capital Programme of £59.4 million (Table 1 of the report) be agreed and referred to Council.**

2018/19 BUDGET PROPOSALS SCRUTINY REPORT

Councillor Phil Davies, Leader of the Council – Growth, said:

“As austerity policies continue, the Council’s budget position does not get any easier.

This inevitably requires difficult proposals to be put on the table for investigation, review and debate. This Administration has consistently developed budgets in a consultative, collaborative manner – inviting all Elected Members and other stakeholders to provide their views and make their voice heard.

I am grateful to the Members of our Overview and Scrutiny committees who have once again provided invaluable insight and opinion on the budget proposals this year”.

Councillor Phil Davies introduced a report that set out the feedback from the Council’s Overview and Scrutiny Committees in relation to the Budget Proposals for 2018/19. This followed a series of budget scrutiny workshops which were held during January. There was a separate report from each of the committees which were attached as appendices to the report. These captured the issues raised and general feedback from the Overview and Scrutiny Committee Members at the workshop sessions.

As the report addressed the proposals for the 2018/19 budge, it related to all Wirral Plan pledges and all wards in the borough.

This report was not a Key Decision.

RESOLVED:

That Cabinet will consider the content of these reports as part of its deliberations in developing its budget recommendation for Council.

Councillor Phil Davies (Leader of the Council), said:

“We have a responsibility to set a fair, sustainable and balanced budget. This is a challenge which gets more difficult every year, as austerity policies continue to bite.

We have committed to 20 Pledges in our Wirral Plan and, despite the continued reductions in our budget, we are determined we will deliver on what we promised”.

Councillors Phil Davies, Janette Williamson and Bernie Mooney introduced reports on the following budgetary matters:

- (A) Revenue Budget and Council Tax Levels 2018/19 (Councillor Davies) – that provided an update on the Medium Term Financial Strategy and Council Budget 2018/19 reported to Cabinet on 18 December 2017. It set out the background and the key elements contributing to the preparation of the Budget for 2018/19.
- (B) Treasury Management Strategy Statement (Councillor Williamson) – that provided the Authority’s treasury management activity as underpinned by CIPFA’s Code of Practice on Treasury Management (“the Code”), which required the production of annual Prudential Indicators and a Treasury Management Strategy Statement on likely financing and investment activity. The Code also recommended that Members were informed of treasury management activities at least twice a year. The report fulfilled the Authority’s legal obligation under the Local Government Act 2003 to have regard to both the CIPFA Code and the Ministry for Housing, Communities and Local Government (MHCLG) Investment Guidance.
- (C) Capital Programme and Financing (Councillor Davies) – the report provided Cabinet with the draft Capital Programme 2018/21 for consideration and referral to Council for approval. It also included information regarding the revenue implications of the Programme and an update on the latest forecast for capital receipts. The 2018/21 Capital Programme represented a combination of schemes originally approved as part of the 2017/20 Programme, updated through the Capital Monitoring reports in 2017/18 and new bids for inclusion as detailed in the report.
- (D) Schools Budget and Formula Funding Changes 2018/19 (Councillor Mooney) – the report set out the Schools Budget for 2018/19 having been previously considered by the Schools Forum at their meeting on 17 January 2018. The Schools Budget covered education provision for all Wirral Pupils aged up to 18 in Early Years, Primary, Secondary and academy schools and for some pupils up to the age of 25 in Special Schools and High Needs providers. The report informed that most budgets were delegated to schools with some central provision for support services including school

admissions and High Needs. The report proposed a number of changes to the local funding formula for Schools to allow a transitional transfer to the National Funding Formula.

Councillor Phil Davies informed that the Council continued to face another year of challenge to its budget setting year arising from further cuts in funding imposed by the Government. This year's budget included huge pressures on the Council to generate additional revenue that meant that in addition to raising income through a variety of projects, the Council would be raising additional monies via the permitted Social Care precept and utilising the maximum permitted rise in Council Tax. Councillor Davies added that these decisions had been as a direct result of the huge pressures placed on Local Authorities by Government and that a radical overhaul was required. He informed that the Council would continue to provide input in relation to business rate retention that currently disadvantaged areas such as Wirral through the LGA 'fair funding review' consultation.

Councillor Davies thanked Cabinet Members and Officers of the Council for their hard work in dealing with the financial challenges faced over the past year and the 'perfect storm' that faced Social Care Services (Children's Services in particular) and added that the Council's commitment to this area was demonstrated by its investment of £20million into this area in particular.

Councillor Davies informed that the Council would remain committed to delivery of its 20 Wirral Plan Pledges and would continue in its aim to help grow the Wirral economy through the development of more investment, jobs, businesses and improved income for Wirral residents and workers. He further informed of those areas where the Council would continue to support and focus e.g. housing, improvements to the environment and street scene, the tackling of domestic abuse, improving income generation and supporting its staff - meeting his party values of fairness and social justice.

Cabinet Members each raised their own concerns about the continued financial pressures faced by Wirral from Government and the sustained attack since 2010 and significant reduction of funds since that time. Members commented that they were proud to have managed to retain front line services against the background of austerity and that careful planning would still be required in the future.

Councillor Bernie Mooney informed that the performance of Wirral schools continued to go from strength to strength and gave a commitment to the Wirral Plan to do all to continue to support Wirral schools and ensure that every child in the borough had the opportunity of a good education, and good career. She added the importance of ensuring schools had the resources in place to continue to improve and to provide young people with an excellent education was vital to the future of the borough.

Councillor Janette Williamson commented on the reduced levels of funding received from Government and informed of the vital importance of making sure the Council's finances were well managed, and ensuring commercial opportunities were maximised to support Council services over the longer term. In respect of the Treasury Management Report she added that the report provided the Council with a well thought through, appropriate strategy for managing public resources in the borough.

Councillor Phillip Brightmore endorsed the Leader's earlier statement that environmental matters remained a priority for the Council and informed the Cabinet of the Council's recent success in gaining an award that recognised the borough staff's performance with regard to waste collection.

Councillor George Davies commented on the difficult circumstances faced by the Council to maintaining services and his commitment to helping protect the vulnerable and how the greater than average number of properties (83%) fell into Council Tax Bands A, B and C impacting on the income generated to the borough. He added that this was not a problem for some local authorities in England whose historical housing stock valuations allowed lower Council Tax increases to generate significantly more income.

Councillor Stuart Whittingham stated that he was pleased that the Council was currently still in a position to invest in its infrastructure but was upset that Wirral, as a result of the economic circumstance placed upon it by Government, had to consider the expansion of areas of charged parking. He informed that he had done what he could to keep the fees at modest levels.

Councillor Matthew Patrick reaffirmed the need to protect the most vulnerable and investment in social care. He thanked residents for their response to the budget consultation and for their input and comments that demonstrated people's interest and positive support for the area.

Councillor Angela Davies stated her outrage at the level of cuts to local government funding, but stated that responsible use of capital receipts and the development of the transformation programme had, despite the cuts, made significant inroads to regeneration and the reformation of programmes in areas such as Health and Social Care.

Councillor Chris Jones echoed Councillor Davies' comments, adding that she wished to thank all those staff who worked in Adult Social Care who were managing to deal with unprecedented levels of demand on their service.

RESOLVED: (unanimously)

That the following Budget Resolution be agreed and recommended to the Budget Council:

BUDGET RESOLUTION 2018/19

NATIONAL CONTEXT

Each year, the Council assembles to agree its budget to provide the services it will offer to meet the needs of residents. Each year, the amount of money available in real terms to meet real needs gets smaller.

Since the Government chose the path of austerity in 2010, Wirral Council has been forced to implement more than a quarter of a billion pounds in reductions and cuts to its budget. The impact of austerity bites on the quality of life enjoyed by residents – pay freezes for public sector workers, changes to benefits and the

clumsy roll out of Universal Credit, rising prices for energy and utilities and threats and fears about the future of the NHS, the needs of Wirral residents become more complex, more intense and more pronounced.

And each year, as we debate the budget, the members on the Conservative benches roll their eyes and shrug their shoulders, unmoved - and untouched - by the hardships of their national policies. They ignore the hard decisions this Council faces, braying and bellowing for the benefit of the crowd.

Elsewhere, more considered Tory voices are joining the rising tide of national concern.

Last year, bankrupt Tory controlled Surrey Council set a 15% Council Tax rise before being bailed out by the Government at the last moment to prevent the embarrassing scene of a Conservative Council setting illegal budgets to meet unrealistic Tory Government expectations.

This year, Tory controlled Northamptonshire County Council has effectively declared itself 'bust' – cancelling all spending on non-statutory services, unable to meet anything but the most basic needs of its residents.

But still – unmoved, the Tories press on with their austerity policies, oblivious and uncaring about the consequences of their policies on the lives of ordinary people.

Tory Home Secretary Amber Rudd was in meetings in this town hall the week before last – not with Councillors working to support the police, coastguard and fire service – but meeting with local Tory Councillors behind closed doors, plotting her leadership challenge no doubt.

The Tories' obsession with Austerity is rooted in their detachment from the lives of ordinary people. This budget will once again demonstrate that only a Labour administration will protect the services local residents rely upon, invest in the issues Wirral families care about and work with public sector and volunteer group partners to deliver them.

The Tories see the budget as spreadsheet management: A cut here, a reduction there, unconcerned by the real world consequences of these actions.

The Tories know the price of everything, but the value of nothing.

Labour Councillors continue to lead the campaign for the Government to treat local authorities fairly. This campaign was encouraged late last year when Secretary of State, Sajid Javid MP, appeared to buckle under pressure and suggest he was willing to revisit his flagship policy of removing the Revenue Support Grant, a policy in the opinion of this Cabinet, which would hit the young, the elderly and the most vulnerable the hardest. Whether this was political posturing, or an awakening to the reality of their failed policies, local authorities across the country await more details.

With the Government's long term plans or the impact of its Brexit policies unclear, uncertainty and worry surrounding the funding future of the police, fire service, the

NHS and other public services, this Budget must again be prepared against a backdrop of difficult financial circumstances.

THE WIRRAL CHALLENGE

Wirral is forced to reduce its spending, or generate more income, by more than £100 million by 2021. Our immediate challenge is to meet a £61 million funding shortfall for 2018/19.

As we have repeatedly warned, this is happening at a time of increased need - an ageing population, deprived communities with complex needs - and rising costs of the services and support which people rely on.

Cabinet believes these reductions to be unfair and unsustainable.

However, as residents know, we refuse to allow this Government to break the services our residents rely on. We will make these difficult decisions but will deliver the 20 Pledges we committed to in our Wirral Plan.

Our overall budget strategy of focussing on attracting additional revenue, transforming services and improving efficiency, will continue. This will be underpinned by our commitment to key Labour principles of fairness and social justice.

INVESTING IN SOCIAL CARE

The challenges facing families and young people in Wirral are well known. The scale of this and our response has been at the very heart of the Council's policy and budget agenda this year. Already great progress is being made, a new leadership team, a complete review of our services and processes and an improvement plan that works with national experts and local care providers to ensure we meet the expectations we set ourselves when looking after our most vulnerable young residents.

We have to prioritise making these changes and improvements and are committing £20m investment in Children's and Families' services in 2018/19.

Locally, social care providers, charities and the NHS have united to call for more investment. The Government's response was to pass the problem on to council taxpayers. We have little choice other than to implement the Government's Care Tax levy, even while knowing this places the burden at the feet of those people least able to pay.

A COLLABORATIVE BUDGET

Again, we remind residents we are here to work for them. We will never set a budget in isolation. Consultation, engagement, and conversations with residents will always underpin every decision we take. Almost 6,000 residents took the time to give us their views on our budget, our priorities and our plans and we pledge to use this valuable feedback as decisions are made.

Cabinet thanks Elected Members – of all parties – who took part in the comprehensive scrutiny process to look in detail at the budget proposals. The feedback from that process has been provided to Cabinet and has proved extremely helpful in making these decisions.

DELIVERING OUR PLEDGES

Regardless of the scale of Conservative Government cuts to this Council's budget, as a Labour Administration our budget will be legal and sustainable, with social justice and fairness at its heart.

Our ethos as an Administration is underpinned by three core principles. These principles help inform our budget and makes sure we can deliver the savings imposed on us while still meeting our promises to Wirral residents.

- The vulnerable are safe and protected and we tackle inequality.
- Wirral is a place where employers want to invest and businesses thrive.
- We have an attractive and sustainable environment, where good health and an excellent quality of life is enjoyed by everyone who lives here.

GROWING OUR ECONOMY

We are relentless in our drive to grow Wirral's economy. In the coming days we will announce our proposal for Wirral Growth Company, the UK's largest public-sector led regeneration programme. Attracting new investment to drive our £1bn growth deal, this joint venture ensures this Council retains control over our assets and benefits from the development of new homes, offices, leisure and retail schemes and accompanying job opportunities.

As part of our work on growing the economy, we will consider innovative approaches to ensuring that as many of the benefits of growth as possible are retained within Wirral. To this end, we are keen to look at models such as community wealth building.

INVESTING IN WIRRAL'S ENVIRONMENT, ROADS AND NEIGHBOURHOODS

We will continue to invest in our local infrastructure and the communities we live in. In 2018/19 we are investing more than £7million in improvements. We are leveraging interest free loans and grants to invest £1.5million in LED street lighting – not only making our roads and neighbourhoods safer, but using technology to reduce the long term running costs. Our programme will see more than £2million invested to replace and repair street lamps across the borough and other improvements to traffic, cyclist and pedestrian infrastructure.

The Council's commitment to protecting our environment and tackling climate change will continue through adopting a zero-tolerance approach to environmental crime, such as littering and dog-fouling; growing the subscriber base of the garden waste scheme; and increasing energy efficiency. Cabinet is committed to Wirral Council remaining at the green cutting edge of environmental issues and will lead the City Region in efforts to phase out single use plastics, reduction of waste and encouraging recycling.

Wirral is also playing a major role in supporting the Metro Mayor in bringing forward transformational projects such as a tidal barrage on the River Mersey. We will continue our policy of tackling rogue private sector landlords through extending the Selective Licensing Scheme. The Council will shortly also be making a number of announcements about investing in building significant numbers of new housing units on brownfield sites.

TACKLING DOMESTIC ABUSE

Domestic abuse is on the increase across the UK and government cuts and loss of funding means that previously accessible support is no longer available. Adopting a zero tolerance approach to domestic abuse is one of our key pledges. In order to support this pledge, we will invest £5,000 in supporting the Friends of the Freedom Programme in their work in supporting people whose lives have been affected by domestic abuse.

CAR PARKING

We also will introduce new car parking charges at certain coastal visitor locations. In New Brighton, while this does not include Marine Point and Fort Perch Rock, it does include the Derby Pool and Kings Parade. It would also include Leasowe Lighthouse and 'the Gunsite', North Parade between Hoylake and Meols and South Parade in West Kirby. The proposed charges would be £1 for an hour, £2 for all day and £20 for those who leave their vehicles parked overnight. Officers advise us that these tariffs are reasonable and acceptable for visitors to Wirral's coastal attractions, in many cases cheaper and more favourable than charges in Liverpool, Chester and at other local attractions.

REWARDING AND PROTECTING OUR STAFF

Our staff are our most important resource. As national austerity policies continue to hit the most vulnerable hardest, it is important we recognise the role council staff play in keeping our front line services operating and supporting people every day. These services have seen their workforce reduced, demand increase and have also seen pay frozen.

It is important that we do all we can to put this right, and that is why I am proud to announce that – alongside and in addition to the national pay award of 2% which we have already included in the budget, we will include a further 1% rise for our employees, which will bring us back in line with the national pay scale. This will be funded from more efficient ways of working that will include release of vacancies and headcount reduction, which will be met by voluntary redundancy wherever possible.

This Administration is committed strongly to good working practices. To that end, we will continue to work constructively with our trade unions.

SENIOR MANAGEMENT STAFFING CUTS

As we make tough decisions on how to balance the budget, we must also look at efficiencies we can make in how we deliver services. As the Council continues to invest in technology and to make transformational changes to how it operates, it is

right that we look to make savings amongst our most senior staff and management.

The budget this year sees us reduce the cost of management by £750,000 as we make changes to how the Council works.

CONCLUSION

In summary, this is a balanced budget built around our shared values. It supports the important work being done to deliver services our residents rely on. It invests in our economy, makes improvements to our environment and shares the burden fairly between all those who can afford to contribute and those who enjoy the services Wirral offers.

This is a budget, against a harsh Conservative Austerity agenda, our Labour Council can be proud of.
