Dear Madam Mayor

REQUEST TO REQUISITION AN EXTRAORDINARY COUNCIL MEETING

Please find below signatures from 20 Members of the Council requisitioning an extraordinary meeting of the Council.

We note that there is increasing public concern about anti-social behaviour relating to motor bikes and scrambler bikes.

We also note that Merseyside Police, despite the good work carried out under Operation Brookdale, do not seem to be able to contain or deal with the root cause of the problem.

We believe that with over 3300 residents requesting that the Wirral Safer Hub set up a dedicated task force to tackle this menace it is incumbent upon the Leader of the Council and his Cabinet to respond to these serious concerns from our residents.

Yours sincerely

ACTION ON SCRAMBLER BIKES

Proposed by Councillor Bruce Berry

Seconded by Councillor Chris Blakeley

Council welcomes the launch of the Wirral Safer Hub.

However Council notes that there is increasing public concern concerning anti-social behaviour relating to motor bikes and scrambler bikes.

Council further notes that Merseyside Police, despite the good work carried out under Operation Brookdale, do not seem to be able to contain the root cause of the problem.

Council therefore requests the Wirral Safer Hub set up a dedicated task force using all agencies, elected members and the voluntary sector to come up with a plan to tackle this menace.
