30 LGPS UPDATE

The Head of Pensions Administration, Yvonne Murphy, introduced a report that updated Members on the judicial review of the ‘Restriction of Public Sector Exit Payments Regulations 2020’, and the publication of the Ministry of Housing, Community and Local Government (MHCLG) guidance on employer applications for the relaxation of the exit cap for local government employees. The report also raised awareness of communication materials produced by LGA to assist scheme members, administering authorities and employers in understanding the implications of the public sector exit cap on redundancy packages, operational processes and legal obligations.

On 16 December, MHCLG had published waiver guidance for the £95k exit cap in compliance with HM Treasury Directions for circumstances where mandatory or discretionary waivers may apply. The guidance was largely directed at employers and provided information on the process MHCLG would follow in deciding whether to approve a request for a waiver. The Head of Pensions Administration noted that the report contained a link to the guidance:

The Committee were also informed that the Pension Fund members website had been updated: -

31 FSS POLICY UPDATES

The Head of Pensions Administration, Yvonne Murphy, introduced a report that updated Members covered updates to the Funding Strategy Statement’s termination policy and the new contributions flexibilities policy in light of the new Regulations that came into force on 23 September 2020. The Regulations required these policies to be included in the Funding Strategy Statement. Appendix 1 to the report contained

the Draft Termination Policy updates regarding exit debt payments and deferred debt agreement flexibilities and Appendix 2 to the report contained the Draft Policy regarding flexible contributions.

The report informed that the default position for exit payments was that they were paid in full at the point of exit. The termination policy had therefore been updated to allow for the new Regulations which allowed exiting employers (subject to a suitable review of the unaffordability of an immediate exit debt payment) to spread their exit debt over a set period or to enter into a Deferred Debt Arrangement allowing them to remain in the Fund with no active members. The policy set out the process that must be followed by the Fund when an employer exits the Fund (usually triggered when the last active contributing member leaves pensionable service).

The new Regulations also permitted contribution rates to be adjusted between valuations. Currently the contribution rates set out in the valuation report stayed in place until the next valuation (except in limited circumstances or where an employer exits the Fund). These Regulations allowed changes to contributions to be made before the next valuation if an employer's circumstances meet the specified criteria. The policy set out the situations where contributions may be reviewed between actuarial valuations and the conditions that must be met.

The Head of Pensions Administration responded to Members questions and being moved by the Chair and formally seconded by Councillor Cherry Povall, it was;

Resolved – That;

- 1. the draft policy for 'Deferred Debt Agreements' based on HMRC's draft statutory guidance and the Scheme Advisory Board (SAB) guide be approved.**
- 2. the draft policy for 'Flexibility in Contribution Rates' based on HMRC's draft statutory guidance and the SAB guide be approved.**
- 3. any final changes to the draft policies – following consultation with employers on the updated Funding Strategy Statement, and after having taken advice from the Scheme Actuary along with consideration of the publication of the final statutory guidance and SAB guide be delegated to the Director of Pensions.**

32 AUTHORISED SIGNATORIES

The Head of Finance & Risk, Donna Smith, presented a report that set out proposed changes to authorised signatories at Merseyside Pension Fund (MPF) following a review of the current signatories against business needs and was updated to reflect staff changes.

The report described the different requirements for various institutions and functions, including the banks, custodian, and overseas pensions payment agent, as well as the granting of power of attorney where appropriate.

The report also formed a part of the Fund's scheme of delegation and set out the management and authorisation arrangements, for the avoidance of doubt by organisations undertaking due diligence on MPF as an investee company or as a financial services provider, or for purposes of overseas jurisdiction.

Moved by the Chair and formally seconded by Councillor Cherry Povall, it was;

Resolved – That;

Donna Smith, Head of Finance & Risk, presented a report that requested that Members approve the treasury management policy statement and the treasury management practices for Merseyside Pension Fund (MPF) for the year 2021/22.

The report set out that the main aims when managing liquid resources were the security of capital; the liquidity of investments; matching inflows from lending to predicted outflows; an optimal return on investments commensurate with proper levels of security and liquidity. Effective management and the control of risk were prime objectives of the treasury management policy and practices.

MPF would comply with the twelve treasury management practices set out in the treasury management policy statement.

As and when in person events recommence or officers become aware of other appropriate events, Committee members would be advised. The Chair encouraged Members participation in training opportunities.

Moved by the Chair and formally seconded by Councillor Cherry Povall, it was;

The Head of Pensions Administration, Yvonne Murphy, introduced a report that sought approval to delegate authority to the Director of Pensions to admit an applicant to Merseyside Pension Fund (MPF) as a community admission body.
