Members of the Licensing Panel are advised that the proposals set out in the operating schedule may become conditions of licence should the application be granted.

Following discussions with Merseyside Police the applicant has agreed to have a number of conditions, in addition to those proposed in the operating schedule, placed on the Premises Licence if the application is granted. Details of the conditions are as follows:

- CCTV shall be installed at the Premises in the form of a recordable system, capable of providing clear, good quality images in all lighting conditions. Cameras shall encompass all entrances and exits to the premises, all areas where the sale and supply of alcohol occurs. Equipment shall be maintained in good working order and checked on a regular basis to ensure it displays the correct time and date. The system shall record in real time and operate whilst the premises are open to the public. The recordings shall be retained for a period of 31 days and made available to an authorised officer on reasonable request for evidential purposes, in accordance with Data Protection Legislation. The Recording

equipment shall be kept in a secure environment under the control of the Premises Licence Holder or other responsible named individual. There shall be sufficient members of trained staff available to be able to download or view CCTV evidence with the minimum of delay at the reasonable request of an authorised officer.

- All staff shall be fully trained to perform their role. They shall also be trained in the contents of the premises licence including times of operation, licensable activities and all conditions. Training shall be recorded in documentary form that will be available for inspection at the request at all reasonable times by an authorised officer from a relevant responsible authority and/or Police Officer. The records will be retained for at least 12 months.
- An incident book shall be maintained to record any activity of a violent, criminal or anti-social nature at, or immediately outside the premises, witnessed by staff. The record will contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The incident book shall be available for inspection at all reasonable times by an authorised officer of relevant responsible authority and/or Merseyside Police. The records will be retained for at least 12 months.
- A Challenge 25 policy must be adopted, implemented and advertised within the premises, whereby an accepted form of photographic identification must be requested before any alcohol is sold to any person who appears to be under 25 years of age. Acceptable proof of age must include identification bearing the customers photograph, date of birth and integral holographic mark or security measure. Suitable means of identification would include PASS approved proof of age card, photo-card driving licence or passport.
- The premises will operate primarily as a restaurant.

- Refuse to specify the person as the premises supervisor
- Reject the application

In determining the application with a view to promoting the licensing objectives in the overall interest of the local community the Licensing Authority must give appropriate weight to:
