Members of the Licensing Panel are advised that the proposals set out in the operating schedule may become conditions of licence should the application be granted.

Following discussions with Merseyside Police the applicant has agreed to have a number of conditions, in addition to those proposed in the operating schedule, placed on the Premises Licence if the application is granted. Details of the conditions are as follows:

- CCTV shall be installed at the Premises in the form of a recordable system, capable of providing clear, good quality images in all lighting conditions. Cameras shall encompass all entrances and exits to the premises, any external seating or smoking areas, all areas

where the sale, supply or consumption of alcohol occurs and all other areas where licensable activity takes place. Equipment shall be maintained in good working order and checked on a regular basis to ensure it displays the correct time and date. The system shall record in real time and operate whilst the premises are open to the public. The recordings shall be retained for a period of 21 days and made available to any authorised officer on reasonable request for evidential purposes, in accordance with Data Protection Legislation. The Recording equipment shall be kept in a secure environment under the control of the Premises Licence Holder or other responsible named individual. There shall be sufficient members of trained staff available to be able to download or view CCTV evidence with the minimum of delay at the reasonable request of an authorised Police Officer.

- All staff shall be fully trained to perform their role. They shall also be trained in the contents of the premises licence including times of operation, licensable activities and all conditions. Training shall be recorded in documentary form that will be available for inspection at the request at all reasonable times by an authorised officer from a relevant responsible authority and/or Police Officer. The records will be retained for at least 12 months.
- Staff shall ensure that no open/unsealed vessels, glasses, bottles or alcohol containers will be allowed to be taken beyond the licensed area.
- The premises licence holder shall ensure that a challenge 25 policy is adopted on the premises at all times. Acceptable identification accepted by the premises licence holder, DPS, or other staff members shall be a passport, photo driving licence or PASS accredited identity card. Staff training in ID procedure shall be carried out on a regular basis.
- An incident book must be maintained to record any activity of a violent, criminal or antisocial nature. The record must contain the time and date, the nature of the incident, the people involved, the action taken and details of the person responsible for the management of the premises at the time of the incident. The incident book must be available for inspection at all reasonable times by an authorised Police Officer or Police Licensing Officer. The records must be retained for at least 12 months.

- Grant the licence subject to conditions
- Exclude from the scope of the licence licensable activities

In determining the application with a view to promoting the licensing objectives in the overall interest of the local community the Licensing Authority must give appropriate weight to:
