Meadowcroft	We the undersigned being residents of Wirral, demand that Wirral Council review the conclusions reached by Adult Social Services in its 'Options for Change Consultation' regarding the future of Meadowcroft. Meadowcroft is the only home in the Wirral providing care for people suffering with Alzheimer's in the Wirral. Meadowcroft has been refurbished to a very high standard with twenty-three beds and a new day centre. Meadowcroft also meets all the required of the Care Quality Commission.	1045
Pensall House	We the undersigned being residents of Wirral, demand that Wirral Council review the conclusions reached by Adult Social Services in its 'Options for Change Consultation' regarding the future of Pensall House. We value the work carried out at Pensall House as it enables people leaving hospital to return to a normal life at home. Pensall House needs no investment and is fit for purpose. It has received an excellent rating from the Care Quality Commission and gives a service very much in demand to the people of Wirral.	752
Poulton House	We the undersigned being residents of Wirral, demand that Wirral Council review the conclusions reached by Adult Social Services in its 'Options for Change Consultation' regarding the future of Poulton House. We value the work carried out at Poulton House as it enables people leaving hospital to return to a normal life at home. Poulton House needs further investment to expand the service and secure the future of this valuable service to the people of Wirral.	358
Prenton Centre	We the undersigned are opposed to the closure of Prenton Resource Centre.	139
Union Street	We the undersigned wish to protest against the proposed closure of Union St Resource Centre	25
