Consultation

3. A statement to the effect that all applicable statutory requirements to consult in relation to the proposals were complied with.

All applicable statutory requirements to consult in relation to the proposals have been complied with. Public consultations were originally held during January to June 2006, more recently from January to March 2009, including a consultation meeting at Millfields Primary School on 4th March 2009. All statutory consultees were consulted in accordance with the relevant DCSF guidance and statutory requirements.

4. Evidence of the consultation before the proposals were published including:

- a) a list of persons and/or parties who were consulted;
- b) minutes of all public consultation meetings;
- c) the views of the persons consulted;and
- d) copies of all consultation documents and a statement of how these were made available.

The Council has been reviewing Wirral primary school provision on an area by area basis since Autumn 2004. The review of the Bromborough and Eastham small planning area, in which Millfields Primary School is situated, began in October 2005 with pre-consultation meetings involving headteachers and chairs of governors of all the schools in the area, as well as Diocesan Authorities and ward members. A number of options for change arose, and were approved for formal consultation by Cabinet. Leaflets and comments forms were provided to all parents, and at schools and local libraries. A dedicated website was established, including a feedback form, and the consultation was advertised in the press. Public meetings were held during Spring term 2006 at each of the schools named in the

options.

The outcome of this consultation was described in the 16th March 2006 report to Cabinet (Sections 6 and 7). At this time, Cabinet's decision was that an option that arose from the consultation, namely the closure of St Mary's CE Primary School and Millfields Primary School combined with the establishment of a CE Controlled primary school at the Millfields site, should proceed as a statutory proposal.

Following legal advice, it was decided that consultation should be continued to allow consultees to express their opinions about the new option, led by the Diocese of Chester and facilitated by the Authority. Further consultation meetings were held for stakeholders of the two schools. The outcome of the additional consultation period which concluded on 6th July 2006, was reported to Cabinet on 27th July 2006. The Diocesan Board of Education were impressed by various aspects of Millfields Primary School, including the Christian ethos and existing links with local churches and "*would be delighted to have Millfields as a part of its family of Church schools*". However, the Diocesan Board of Education felt unable to support the closure of St Mary's CE Primary School, and therefore rejected the Council's preferred option to close the two schools and open a new Church of England school on the Millfields site. One of the factors the Diocesan Board gave as a reason not to support the amalgamation was that the standards achieved by the two schools were "not significantly different". The Council's preferred option of amalgamating the two schools in order to create a new school could not therefore proceed. At its meeting of 27th July 2006, the Council decided not to press ahead with the proposal to close St Mary's CE Primary School, deciding instead to make an interim measure to reduce surplus places and enhance provision in the area by locating a Children's Centre at Millfields Primary School. A further recommendation was made that the Bromborough and Eastham area should be monitored and reviewed again during the Primary Places Review.

St Mary's CE (Controlled) Primary School was inspected by Ofsted on the 13th and 14th September 2006, and was placed in the Ofsted category of Special Measures. This was reported to Cabinet on 14th December 2006. At this meeting, Cabinet's decision was to proceed to statutory notices in respect of the closure of St Mary's CE (Controlled) Primary School. As a further recommendation, Cabinet agreed to give all necessary support to any proposal made by the Church of England Diocese of Chester regarding the closure of a Community Primary School in order to open a new CE Primary school on the same site, subject to the agreement of the relevant Governing Body.

The statutory notices were published on 10th January 2007, followed by a representation period for comments and objections. The proposal for closure of St Mary's CE Primary School was considered by the School Organisation Committee (SOC; now abolished) on 21st March 2007. A unanimous decision could not be reached. The proposal was consequently referred to the Office of the Schools Adjudicator according to guidance

The Adjudicator held an additional consultation on the closure of St Mary's CE Primary School ending on 9th May 2007, including a further meeting for stakeholders of St Mary's CE Primary School on 2nd May 2007. The Adjudicator's final decision was to approve the closure of St Mary's CE Primary School from 31st August 2007.

Cabinet's decision on 14th December 2006 regarding support for the possible establishment of a CE Controlled primary school in the Eastham area remains in place. Discussions on the possibility of Millfields Primary School becoming a CE Controlled Primary School have been ongoing through 2007/2008, including the governing body of Millfields Primary School, the Diocese of Chester and the Local

Authority. All three parties agreed that the option had been positively received during the original consultation. As demonstrated above, there has already been extensive consultation on this option in the Eastham area over an extended period of time. However, as it has been more than 12 months since the conclusion of the last consultation in May 2007, guidance states that a fresh consultation should be carried out in order to allow stakeholders who were not consulted in the original consultation an opportunity to express their views.

Accordingly, a further consultation was held during February and March 2009.

A consultation leaflet was drawn up jointly by the Diocese of Chester and the Local Authority and distributed to staff and parents/carers of pupils at Millfields Primary School and other Eastham primary schools. The document was also made available via a dedicated website and at local libraries and community centres and one stop shops. All statutory consultees were consulted. The consultation leaflet is attached as [Appendix A](#).

A consultation meeting for interested stakeholders was held on 4th March 2009 at Millfields Primary School, chaired by Mr Jeff Turnbull, Diocesan Director of Education from the Diocese of Chester. The date for the meeting was in the parents' leaflets and on the specific web-site and a general notice was published in the local press. Opportunities were provided for various means of written response via post and e-mail

The consultation closed on 20th March 2009. During this period, 7 responses from individuals and one petition were received. Three responses were from current parents, one from a former parent and one from a member of staff. The remaining two responses, and the petition, were from other concerned persons. The anonymised responses are attached as [Appendix B](#).

The consultation meeting on 4th March 2009 was attended by 35 persons, including two ward councillors, 9 parents, 17 staff members and 7 governors (some also parents or staff). The minutes of the meeting are attached as [Appendix B](#).

The points raised by consultees are summarized as follows:

- Impact of Church of England status on the school
- Importance of retention of a primary school at the Millfields site
- Financial implications
- Concerns about future of staff, especially headteacher
- Concerns about future of existing governors
- Questions about nature of collective worship and involvement with local churches

The Council has been reviewing Wirral primary school provision on an area by area

basis since Autumn 2004. The review of the Bromborough and Eastham small planning area, in which Millfields Primary School is situated, began in October 2005 with pre-consultation meetings involving headteachers and chairs of governors of all the schools in the area, as well as Diocesan Authorities and ward members. A number of options for change arose, and were approved for formal consultation by Cabinet. Leaflets and comments forms were provided to all parents, and at schools and local libraries. A dedicated website was established, including a feedback form, and the consultation was advertised in the press. Public meetings were held during Spring term 2006 at each of the schools named in the options.

The outcome of this consultation was described in the 16th March 2006 report to Cabinet (Sections 6 and 7). At this time, Cabinet's decision was that an option that arose from the consultation, namely the closure of St Mary's CE Primary School and Millfields Primary School combined with the establishment of a CE Controlled primary school at the Millfields site, should proceed as a statutory proposal.

Following legal advice, it was decided that consultation should be continued to allow consultees to express their opinions about the new option, led by the Diocese of Chester and facilitated by the Authority. Further consultation meetings were held for stakeholders of the two schools. The outcome of the additional consultation period which concluded on 6th July 2006, was reported to Cabinet on 27th July 2006. The Diocesan Board of Education were impressed by various aspects of Millfields Primary School, including the Christian ethos and existing links with local churches and "*would be delighted to have Millfields as a part of its family of Church schools*". However, the Diocesan Board of Education felt unable to support the closure of St Mary's CE Primary School, and therefore rejected the Council's preferred option to close the two schools and open a new Church of England school on the Millfields site. One of the factors the Diocesan Board gave as a reason not to support the amalgamation was that the standards achieved by the two schools were "not significantly different". The Council's preferred option of amalgamating the two schools in order to create a new school could not therefore proceed. At its meeting of 27th July 2006, the Council decided not to press ahead with the proposal to close St Mary's CE Primary School, deciding instead to make an interim measure to reduce surplus places and enhance provision in the area by locating a Children's Centre at Millfields Primary School. A further recommendation was made that the Bromborough and Eastham area should be monitored and reviewed again during the Primary Places Review.

St Mary's CE (Controlled) Primary School was inspected by Ofsted on the 13th and 14th September 2006, and was placed in the Ofsted category of Special Measures. This was reported to Cabinet on 14th December 2006. At this meeting, Cabinet's decision was to proceed to statutory notices in respect of the closure of St Mary's CE (Controlled) Primary School. As a further recommendation, Cabinet agreed to give all necessary support to any proposal made by the Church of England Diocese of Chester regarding the closure of a Community Primary School in order to open a new CE Primary school on the same site, subject to the agreement of the relevant Governing Body.

The statutory notices were published on 10th January 2007, followed by a representation period for comments and objections. The proposal for closure of St Mary's CE Primary School was considered by the School Organisation Committee (SOC; now abolished) on 21st March 2007. A unanimous decision could not be reached. The proposal was consequently referred to the Office of the Schools Adjudicator according to guidance

The Adjudicator held an additional consultation on the closure of St Mary's CE Primary School ending on 9th May 2007, including a further meeting for stakeholders of St Mary's CE Primary School on 2nd May 2007. The Adjudicator's final decision

was to approve the closure of St Mary's CE Primary School from 31st August 2007.

Cabinet's decision on 14th December 2006 regarding support for the possible establishment of a CE Controlled primary school in the Eastham area remains in place. Discussions on the possibility of Millfields Primary School becoming a CE Controlled Primary School have been ongoing through 2007/2008, including the governing body of Millfields Primary School, the Diocese of Chester and the Local Authority. All three parties agreed that the option had been positively received during the original consultation. As demonstrated above, there has already been extensive consultation on this option in the Eastham area over an extended period of time. However, as it has been more than 12 months since the conclusion of the last consultation in May 2007, guidance states that a fresh consultation should be carried out in order to allow stakeholders who were not consulted in the original consultation an opportunity to express their views.

Accordingly, a further consultation was held during February and March 2009.

A consultation leaflet was drawn up jointly by the Diocese of Chester and the Local Authority and distributed to staff and parents/carers of pupils at Millfields Primary School and other Eastham primary schools. The document was also made available via a dedicated website and at local libraries and community centres and one stop shops. All statutory consultees were consulted. The consultation leaflet is attached as [Appendix A](#).

A consultation meeting for interested stakeholders was held on 4th March 2009 at Millfields Primary School, chaired by Mr Jeff Turnbull, Diocesan Director of Education from the Diocese of Chester. The date for the meeting was in the parents' leaflets and on the specific web-site and a general notice was published in the local press. Opportunities were provided for various means of written response via post and e-mail

The consultation closed on 20th March 2009. During this period, 7 responses from individuals and one petition were received. Three responses were from current parents, one from a former parent and one from a member of staff. The remaining two responses, and the petition, were from other concerned persons. The anonymised responses are attached as [Appendix B](#).

The consultation meeting on 4th March 2009 was attended by 35 persons, including two ward councillors, 9 parents, 17 staff members and 7 governors (some also parents or staff). The minutes of the meeting are attached as [Appendix B](#).

The points raised by consultees are summarized as follows:

- Impact of Church of England status on the school
- Importance of retention of a primary school at the Millfields site
- Financial implications
- Concerns about future of staff, especially headteacher
- Concerns about future of existing governors
- Questions about nature of collective worship and involvement with local churches
