

Council Excellence.

UPDATES FROM 19TH NOV ARE IN RED

AGREED WORK PROGRAMME.

This is a new, cross cutting committee. In order to bring all the elements together, it is suggested that the work programme is designed around the four themes of the Comprehensive Area Assessment, which is how Council Excellence will be judged in future. This is a much broader inspection regime than the CPA, and looks at all the public sector in Wirral and how it is contributing to the well being of Wirral Residents.

There are four key themes:

1. Sustainability, (which is not just environmental but social and economic as well.)
2. Tackling inequality, disadvantage and discrimination.
3. People whose circumstances make them vulnerable
4. Value for money.

The three key questions the inspectors will ask are:

- How well do local priorities express community needs and aspirations
- How well are outcomes and improvements being delivered?
- What are the prospects for improvement?

They will use (sparingly) a red and green flag system to flag up where we are doing well and where we have real problems that need attention.

I would suggest we approach the work programme like this:

1. Ask the Audit Commission for an explanation of how the Comprehensive Area Assessment will work, and in particular what they understand each key theme to mean, any immediate problems they are aware of, and what work they believe it would be useful for the committee to do in monitoring progress. Also ask for any examples of best practice the committee could look at.
2. Ask the officers to do a SWOT analysis on each theme (Strengths, weaknesses, opportunities and threats – these reports may lead to further reports and perhaps some subcommittee working.)
3. Ask for a presentation from key partners on their contribution to the Comprehensive Area Assessment and the way in which they would like to be working with the Council.
4. Arrange visit/s to other authorities to learn from best practice.
5. In the last meeting of the year, assess progress against each theme, highlighting any problems that need to be tackled, or any major successes or gains that with a bit of a push could gain excellence for the people of Wirral.

1. Joint or individual presentation from partners on their contribution to CAA, their relationship with the Council and any joint working to improve results.

(Through Local Strategic Partnership or LAA Board?)

2. Members to decide on areas to monitor and ways to improve joint working and possible connections with other Scrutiny Committees.

Partner members to report on their contribution to CAA. Possibly include LAA targets at this point? Information for members on what to monitor and how to improve joint working.

The Deputy Chief Executive/Director of Corporate Services gave a presentation in relation to an Evaluation of the four underpinning themes in Comprehensive Area Assessment (CAA), which were included in the scrutiny work programme of the Council Excellence Overview and Scrutiny Committee:

- Sustainability
- Tackling Inequality
- Protecting the vulnerable
- Value for Money

The CAA placed a focus on self-assessment for the Council and the Partnership and he outlined what had been learned from the evaluation exercise, including the need to –

- Ensure the capture of local knowledge;
- Ensure that the voice of the community is represented in plans and in feedback to the public;
- Improve communication of partnership successes;
- Ensure a proactive approach to sharing learning on joint commissioning across the partnership;
- Continue to improve performance management of shared partnership objectives and targets.

<p>19th NOV</p>			<p>He proposed that the outcomes of CAA would be reported to Council Excellence on 1 February 2010, together with an action plan to address CAA area outcomes and findings of partnership evaluation. The delivery of the activity could be the subject of scrutiny by Council Excellence, with a particular focus on the underpinning themes agreed as part of the work programme. In response to comments from Members in relation to the availability of the full version of the Council's self assessment, the Director agreed to consider how best to disseminate information to Members in advance of it being made available publicly on the Audit Commission website. He agreed also to investigate the information contained within press releases copied to Members.</p> <p>Resolved – That the presentation be noted.</p>
