n.b. The majority of secondary schools are now their own admissions authorities as a result of foundation, trust, academy or voluntary aided status. At the time of writing this paper they had not confirmed their admission numbers. These will be notified to the Wirral Admissions Authority by the 15<sup>th</sup> April 2010. We have not been notified of any changes to the admission number for 2010.

In view of the proposals to close Rock Ferry High School and Park High School and open a new Academy for 2011 the scheme will need to be amended once the proposals are confirmed.
