### **WIRRAL CHILDREN'S TRUST MEMORANDUM OF UNDERSTANDING ANNUAL REVIEW**

---

#### **1.0 Background**

The Apprenticeships, Skills, Children and Learning Act 2009 strengthened existing national guidance related to Children's Trust co-operation arrangements and placed the Children's Trust Board on a statutory footing from 1<sup>st</sup> April 2010. A Memorandum of Understanding was developed for Wirral Children's Trust in June 2009 to ensure that the structure and governance arrangements provide an effective and transparent framework and clarity of roles and responsibilities for partner organisations. The original memorandum was developed using Wirral Council Partnership Governance Framework, Audit Commission Children's Trusts tools and good practice in other areas. The Wirral memorandum has been used as a model of good practice by the Virtual Staff College in their training courses.

#### **2.0 Annual Review**

The memorandum is reviewed on an annual basis. It has been refreshed in light of national guidance and local changes. The protocol between the Trust and the Local Safeguarding Children Board has been embedded within the memorandum. The refreshed memorandum is now presented for endorsement by the board.

#### **3.0 Recommendations:**

# Wirral Children's Trust Memorandum of Understanding

## 1.0 Introduction

- 1.1 The Apprenticeships, Skills, Children and Learning Act 2009 strengthened existing national guidance related to Children's Trust co-operation arrangements and placed the Children's Trust Board on a statutory footing from 1<sup>st</sup> April 2010. This memorandum reflects the statutory guidance "Children's Trusts. Statutory guidance on co-operation arrangements, including the Children's Trust Board and the Children and Young People's Plan". It establishes Wirral Children's Trust (WCT) arrangements for governance, integrated working, joint planning and commissioning, and accountabilities in order to deliver improved outcomes for Wirral's children and young people.

## 2.0 Statement of Commitment

- 2.1 The member organisations of WCT are committed to working together at every level to improve the quality of life and wellbeing of all children and young people in Wirral.

## 3.0 Aims of Wirral Children's Trust

- 3.1 *"Our vision is to enable Wirral's children, young people and families to access services quickly in order to be secure, healthy, have fun and achieve their full potential"*
- 3.2 The aim of WCT is to work across professional and agency boundaries to make a difference to the experience and life chances of children, young people and their families. The trust will agree priorities and actions for children's services ensuring safeguarding underpins all activity and provide a framework for the effective operation of local arrangements. The framework will support a focus on preventative and early intervention services and ensure service providers understand what is expected of them. Monitoring of performance will inform future planning and commissioning, ensuring clear strategic direction and providing value for money.

## 4.0 Partnership Principles

- 4.1 The members agree to work together actively to achieve the aims of WCT, on the basis of:
- visible commitment and 'ownership' by the various member organisations and individual representatives;
  - mutual trust and respect;
  - openness and transparency;
  - effective communication and accountability;
  - shared ownership of resources where appropriate;
  - combined expertise;
  - creative and innovative solutions to problems;
  - identification and sharing of best practice, based on mutual learning;
  - removal of barriers to equality of access and opportunity;
  - clear purpose, clarity of expectations and agreed targets for action;
  - effective decision-making;
  - shared mechanisms for risk management, monitoring, evaluation, reviewing and reporting on performance, progress and success;
  - allowing each constituent member unobstructed access to the audit records of the partnership, on request.

## **5.0 Governance & Accountability Arrangements**

- 5.1 The governance and accountability arrangements set out in this document put into operation the duty to cooperate as set out in section 10 of the Children Act 2004 as amended by the Apprenticeships, Skills, Children and Learning Act 2009.
- 5.2 This applies to all services provided or commissioned by WCT that support children and young people's 0 to 19 and specific groups of young people up to age 25.
- 5.3 WCT requires each partner agency to retain full responsibility for its statutory duties and functions at all times and allows for these duties and functions to be carried out through a system of joint planning and commissioning. This supplements existing organisational arrangements and provides additional robust accountabilities outside of existing partner agency arrangements.
- 5.4 The Board will take responsibility for setting the strategic direction for services to children, young people and their families. This includes setting priorities, joint planning and commissioning decisions; the alignment of resources at strategic level and agreeing service models based on service performance and agreed service specifications.
- 5.5 Through the Children and Young People's Plan (CYPP) the Board will act as the single coordination body for all children's services planning and commissioning arrangements and will be the focus for facilitating joint working leading to the integration of multi agency services for children and young people and their families.
- 5.6 The Board will be responsible and accountable for the performance and commissioning decisions made by all other planning and commissioning groups in children's services.
- 5.7 The Board will be accountable to the Local Safeguarding Children's Board for the actions it takes in ensuring that all children and young people in Wirral are adequately safeguarded.
- 5.8 WCT assumes all partners accept collective responsibility and accountability for all decisions made by the Board. However, within this collective responsibility and decision-making process it is recognised there are different levels of accountability and risk for individual agencies and organisations.

## **6.0 Decision Making**

- 6.1 Each partner agency accepts collective responsibility for all decisions made by the Board. All decisions will be transparent and informed by open debate, advice, performance reporting and analysis, best practice, risk assessment and option appraisal.
- 6.2 Decision making will be by consensus, wherever possible, but if a consensus cannot be reached, decisions will be taken on a simple majority of those present and voting will be by a show of hands. In the event of a tied vote, the person chairing the meeting may exercise a second or casting vote.
- 6.3 The Children's Trust Executive (CTE) the multi-agency Strategy Groups and the District Boards will be responsible for providing advice to the Board to support the decision-making processes.

## **7.0 Challenge process**

- 7.1 In exercising collective responsibility for all decisions made by the Board each partner agency will be open to challenge and scrutiny through the formal processes of the accountable body (the Council) and of the other agencies.

- 7.2 Progress on the delivery of the Children and Young Peoples Plan (CYPP) will be performance managed by the Board and an annual review will be published which is open to challenge by any interested party.

## **8.0 Partner Roles and Responsibilities**

- 8.1 The Local Authority (Council) is responsible for leading WCT and the Council in the improvement of outcomes for all children and young people. In this respect the Council is the accountable body for WCT. The Council is responsible for the development and implementation of the CYPP as the single agreement between the partnership on priorities and actions for children and young people.
- 8.2 The Primary Care Trust (PCT) is responsible for ensuring that health provision meets the identified needs of children, young people and their families on behalf of WCT. The PCT is responsible for ensuring health provision is aligned to the priorities agreed in the CYPP, and for the commissioning of health service on behalf of WCT.
- 8.3 Merseyside Fire and Rescue Service are responsible for ensuring that their strategic planning encompasses the WCT vision and the priorities in the CYPP.
- 8.4 The Youth Offending Service (YOS), the police and probation service work together within the criminal justice system. They have roles in prevention of offending and re-offending, identification of suitable intervention programmes and identifying children and young people at risk of harm or other poor outcomes. Through the Youth Justice Board (YJB) the Youth Offending Service (YOS) is responsible for the production of the Youth Justice Plan. This plan must be consistent with WCT vision and with the priorities agreed in the CYPP. The Police are responsible for ensuring that the Local Policing Plan is consistent with the WCT vision and the priorities in the CYPP.
- 8.5 The Third Sector have a significant expertise in the delivery of services and in engaging children and families in identifying needs, innovative service models and commissioning priorities. Third Sector representation is responsible for informing WCT on these areas of expertise and for ensuring the sector has a voice in identifying priorities and actions in the CYPP.
- 8.6 Schools and Sixth Form and Further Education Colleges representatives are responsible for ensuring the sector inform and influence priority setting in the CYPP and advise the WCT on engagement with schools in Wirral.
- 8.7 Job Centre Plus representatives are responsible for ensuring their organisation inform, influence and advise the Board.

## **9.0 The Scope of Involvement**

- 9.1 WCT Board will demonstrate clear links to other thematic partnerships through the Local Strategic Partnership (LSP) to ensure that strategies are not fragmented and that different services share priorities and thinking. WCT will inform and influence the work of the LSP in regards to children, young people and families and ensure that these groups are reflected in within the Local Area Agreement (LAA). It will ensure that the CYPP is consistent with the strategic vision of the Sustainable Community Strategy.
- 9.2 The views of children and young people are at the centre of strategic planning and service design. WCT Board will ensure ongoing high quality consultation with children, young people and their families is undertaken to empower and engage the wider community. Specific consultation will be carried out during the preparation of the CYPP.

## **10.0 Role of the Director of Children's Services and Lead Member**

- 10.1 The Director of Children's Services (DCS) is professionally accountable for the delivery across the Every Child Matters (ECM) five outcome areas for children and young people. The DCS together with the Lead Member (LM) has a key role in leadership, strategy and effectiveness of services. Both work to drive forward the development of a dynamic Children's Trust encompassing partnership working and to integrate and transform services.
- 10.2 The Lead Member exercises political accountability for the same range of services as the Director and is expected to ensure there is a clear focus on safeguarding.
- 10.3 Both the DCS and LM therefore have particular and distinct responsibilities as memberships of the Board. This entitles both the Director and Lead Member to hold other agencies to account for the joint planning and commissioning of integrated services.

## **11.0 Protocol between Wirral Children's Trust and the Local Safeguarding Children's Board**

### **11.1 Roles**

- 11.1.1 Wirral Children's Trust (WCT) and Wirral Local Safeguarding Children Board (LSCB) have important but distinctive roles in keeping children safe. It is not a hierarchical relationship. WCT is accountable for overseeing the delivery of the CYPP. In progressing this plan the Trust is accountable for ensuring services deliver improved outcomes for children and young people.
- 11.1.2 LSCB is responsible for challenging each relevant partner of WCT, through the WCT Board, on their success in ensuring that children and young people are kept safe in the Borough.
- 11.1.3 In order to ensure the complementary roles of the two bodies and the necessary challenge the two bodies are chaired by different people.
- 11.1.4 The Director of Children's Services (DCS) and the Lead Member for Children's Services have central roles. The DCS has lead responsibility for improving outcomes for children in the Borough. The Lead Member is politically accountable for ensuring that the Local Authority (LA) fulfils its legal responsibilities for safeguarding and promoting the welfare of children and young people. The Lead Member should provide the political leadership needed for the effective co-ordination of work with other relevant agencies with safeguarding responsibilities. The Lead Member will also take steps to assure themselves that effective quality assurance systems for safeguarding are in place and functioning effectively across services areas and levels of need.
- 11.1.5 The DCS is a member of both WCT and LSCB. The Lead Member is Chair of WCT and is a 'participant observer' of LSCB as described by statutory guidance "Working Together" (2010).
- 11.1.6 The LA Chief Executive and Council Leader also have critical roles to play. The Chief Executive must ensure that the DCS is fulfilling their managerial responsibilities for safeguarding and promoting the welfare of children and young people; in particular by making certain that the relationship between the CTB and the LSCB is working effectively; that clear responsibility has been assigned within the LA and among WCT partners for improving services and outcomes; and that targets for improving safeguarding and progress against them are reported to the Local Strategic Partnership (LSP).

- 11.1.7 The Chief Executive and the Lead Member fulfil their responsibilities through monthly scrutiny meeting with the Head of Branch Children's Social Care which includes detailed evaluation of safeguarding including performance and human resources data. In addition there are quarterly meetings with the Lead member, LSCB Manager, Independent chair and the Director of Children's Services on safeguarding matters within the LSCB.
- 11.1.8 The wider public has an important role to play: keeping children safe is everyone's responsibility. WCT has actively sought the views of the local community and consulted children young people and their families when drawing up the CYPP.
- 11.1.9 From April 2010 LSCB arrangements will be opened up to wider public scrutiny through the appointment to the LSCB of two lay members drawn from the local community. This will support stronger public engagement in, and understanding of children's safety issues. The voice and experiences of young people will also affirm the work of LSCB by ensuring that one of the lay persons position is taken up by a member of the Children in Care Council.

## **11.2 LSCB Responsibilities**

- 11.2.1 The LSCB is the decision making body for multi-agency safeguarding activity within Wirral. It is a statutory partnership and its work is directed by statutory guidance which dictates its functions. The DCS has a statutory responsibility for ensuring that an effective Safeguarding Children Board is in place for the local area.
- 11.2.2 The work of the LSCB falls into three broad areas, all of which aim to safeguard children and promote their welfare by:
- Protecting children from maltreatment;
  - Preventing impairment of children's health or development;
  - Ensuring that children grow up in circumstances consistent with the provision of safe and effective care.
- 11.2.3 The LSCB is well positioned through its various quality assurance processes to advise, and where appropriate, challenge WCT arrangements. For example learning from Serious Case Reviews, Child Death Overview Panels, section 11 self assessments and multi-agency critical incident reviews.
- 11.2.4 From April 2011 the LSCB will publish an Annual report on the effectiveness of arrangements locally, and the contribution and activities of each local partner for keeping children safe as outlined in Working Together Guidance March 2010.
- 11.2.5 The LSCB will report on its safeguarding performance information on a quarterly basis to the WCT and LSCB. It will make recommendations from the monitoring and evaluation of safeguarding arrangements during the year.
