1.0 EXECUTIVE SUMMARY

- 1.1 Members are asked to consider whether they are willing to re-license the following vehicle: a Vauxhall Astra, registration number SN51 AVO, beyond the normal over-age date for a licensed private hire vehicle.

2.0 BACKGROUND

- 2.1 The current private hire vehicle licence conditions do not allow a vehicle to be licensed beyond the date eight years from the date of first registration, unless the Council is satisfied that the vehicle is suitable, having regard to mileage, appearance, condition and safety features. This condition relating to the age of the vehicle was imposed to improve the standard of vehicle being licensed for private hire.
- 2.2 Private hire vehicle licences are issued on a twelve monthly basis, however once a vehicle reaches six years old, six monthly licences are issued until the vehicle reaches eight years old.
- 2.3 Once a vehicle reaches eight years old, if the proprietor considers it to be in exceptional condition an application can be made to re-license the vehicle for a further six months. That licence can be issued under delegated authority, subject to the vehicle being inspected by officers and being considered to be suitable as in paragraph 2.1 above. Any further application cannot be granted under delegated authority and must be referred to the Licensing Panel.
