Notes:

* 'Additional' = sites additional to those with planning permission

**PDL yield includes dwellings from planning permissions on greenfield land as well as PDL sites, as these greenfield sites will also contribute to the dwelling requirements even if all other future development were to be on PDL sites.

*** The 'Dwelling Requirement' figures in the table are based on the target set by the approved RSS of 500 net additional dwellings in Wirral over the period 2003-21; we have assumed that the annual target will continue until the end of the emerging Core Strategy (2026). These figures also incorporate an allowance for under-provision against the RSS requirements which arose between the base date of the RSS (1 April 2003) and the SHLAA study base date (1 April 2008), and take account of planned demolitions - please refer to Tables 4.2 to 4.4 for further details.
