

UPDATE ON WORK PROGRAM : COUNCIL EXCELLENCE SCRUTINY COMMITTEE -
31/01/11

Reports to assist in monitoring the Committee's work programme

It was agreed by the Scrutiny Chairs Group in September 2008 to use the following reports to monitor the work programme for each Scrutiny Committee. The last item on each Scrutiny Committee agenda should be 'Review of the Committee Work Programme'.

Report 1 - Monitoring Report for Scrutiny Committee Work Programme

This report will list all items that have been selected by the Committee for inclusion on the work programme for the current year.

It will also include items, such as previous Panel Reviews, where recommendations have been made to Cabinet. It is important that the implementation of these recommendations is monitored. Otherwise there is no measure of the success of scrutiny.

For each item on the work programme, the report will give a description, an indication of how the item will be dealt with, a relative timescale for the work and brief comments on progress.

Report 2 - Suggestions for Additions to Work Programme

The Work Programme for the Committee should be reviewed at each meeting. This will enable members to ask for new Items to be added to the programme. This report will list any newly suggested items. Committee will then have the opportunity to agree (or not) for them to be added to the programme.

Report 3 - Proposed Outline Meeting Schedule for the Municipal Year

The report will, for each scheduled Committee meeting, list those items which are likely to be on the meeting agenda. This will give the opportunity for Committee members to take a greater lead in organising their work programme.

Report 4 - Progress Report on In-Depth Panel Reviews

This report will give a very brief update on progress / timescales for in-depth panel reviews which are in the 'ownership' of the Committee.
