

Updated Work Programme for Children and Young People Overview and Scrutiny Committee.

BEGINNING OF THE MUNICIPAL YEAR 2010 /2011

It was agreed at the Overview and Scrutiny Chairs meeting to adopt the following procedure to allow the committee members to monitor their work programme. It is felt that the work programme should be a 'living' document and as such is intended to act as a guide for the Committee throughout the year, while providing the degree of flexibility needed to respond to any emerging or pressing issues as they arise. Committee members, and particularly the Chair, should have a major role in owning and managing the work programme.

The final item on the agenda for each Scrutiny Committee will be 'Review of the Committee Work Programme'.

It is suggested that there should be four short reports. I have attached the following reports:

REPORT 1 - Lists all the issues the committee agreed to include in their Work Programme:

This report lists all items that have been selected by the Committee for inclusion on the work programme for the current year.

It also includes items, such as previous Panel Reviews, where recommendations have been made to Cabinet. It is important that the implementation of these recommendations is monitored. Otherwise there is no measure of the success of scrutiny.

For each item on the work programme, the report gives a description, an indication of how the item will be dealt with, a where possible a relative timescale for the work and brief comments on progress.

REPORT 2 - Suggestions for Additions to Work Programme

The Work Programme for the Committee should be reviewed at each meeting. This will include members having the opportunity to ask for new Items to be added to the programme. This report will list any newly suggested items. Committee will then have the opportunity to agree (or not) for them to be added to the programme.

REPORT 3 - Proposed Outline Meeting Schedule for the Municipal Year

The report lists those items which are likely to be on the meeting agenda. This will give the opportunity for Committee members to take a greater lead in organising their work programme.

REPORT 4 - Progress Report on In-Depth Panel Reviews

This report will give a very brief update on progress / timescales for in-depth panel reviews which are in the 'ownership' of the Committee.
