Dear Bill,

## PROPOSED WAITING RESTRICTIONS - PENSBY ROAD / PENRYHN AVENUE, THINGWALL

I have been asked by owners of businesses in Pensby Road, Thingwall to hand this petition in to you as their objection to the proposals above ahead of the closing date of February 4<sup>th</sup>.

I am not personally objecting to the proposals but I feel more work does need to be done to reconcile the views and needs of the businesses and the residents of Penrhyn Avenue.

Could you please confirm safe receipt of their objection

Regards
