This report provides background information regarding the Final report of the Dementia Scrutiny Review.

1. Background

- 1.1 The Hospital Discharge Scrutiny Review was held during 2008/9, with the final report being presented to the Social Care & Health Overview and Scrutiny Committee meeting held on 25th March 2009. During the evidence-gathering stage of that review, issues were raised with the panel members regarding support for people with dementia in hospital and in the community.
- 1.2 It was therefore agreed by the Health & Wellbeing Overview and Scrutiny Committee that an in-depth review should be held to investigate the care of patients with dementia in general hospitals. A Panel of members was sought to undertake the review.
- 1.3 Subsequently, the following members volunteered to be members of the Panel:
 - Councillor Ann Bridson (Chair)
 - Councillor Denise Roberts
 - Councillor Sheila Clarke
 - Former Councillor Chris TegginsThe panel has been supported by a Scrutiny Support Officer, Alan Veitch.

2. Focus for the Review

- 2.1 The Health & Wellbeing Overview and Scrutiny Committee agreed the Scope for the review in June 2009.
- 2.2 The main issues were identified in the Scope document as:
 - Management of patients with dementia in an acute hospital setting.
 - Impact of patients with dementia on other patients during a stay in hospital.
 - Are there alternative approaches which allow more patients with dementia to be cared for outside an acute hospital setting?
 - Is it possible to keep more people with dementia in their own home for as long as possible?

3. Evidence Gathering

The Panel has employed a number of methods to gather evidence:

- Meetings / visits with officers
- Meetings with carers of people with dementia
- Written evidence from individuals
- Written documentation / reports, both from a national and local perspective
