Dear Mrs. Mayor,

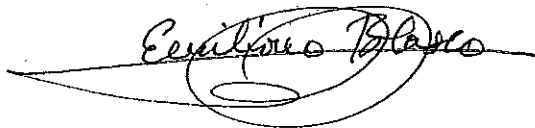

It was an honour to be received by you and your staff at the Town Hall on July 25th 2011.

Thank you for kindly explaining your role, as well as the function of the Council and showing us around the Town Hall.

As you know, we have been received so warmly these 25 years in the Wirral every July for our English language programme homestay.

There has been an interest on the part of my students to have a T-shirt that says "**I love the Wirral**" that also would feature the Coat of arms. I would like to ask permission to use the Coat of Arms for this purpose. If my request is accepted, we would print T-Shirts for our next visit.

Once again, our sincere thanks.

Emiliano Blasco.

Coordinator of the Programm
