

**SUSTAINABLE COMMUNITIES OVERVIEW AND SCRUTINY COMMITTEE  
26 JUNE 2012**

**12 REVIEW OF SCRUTINY WORK PROGRAMME**

The Committee was requested to consider what issues should form the basis of its work programme for the ensuing municipal year and the Committee considered a list of items which had been circulated by the Director.

The Chair suggested that Committee members could email Mark Smith, Deputy Director of Technical Services within the next two weeks with any suggestions for the Committee to consider during the coming year.

Additionally Members made the following suggestions to be added to the Work Programme:

- Coastal Management issues
- Dog fouling / dog waste bins / dog free areas
- Doorstep crime including cold callers / telephone calls

**Resolved - That the paper listing the reports from Chief Officers on key issues during the year, with the above additions, form the basis of the Committee's work programme for the current municipal year together with any additional suggestions which might be emailed from Committee Members to the Deputy Director.**
