

Save Our Day Centre's & Services

Wirral Council is proposing cuts of over £100million. This includes closing a number of Day Centre's for people with Learning &/or Physical Disabilities. They also propose to reduce the options for Council residential care (Sylvandale & Girtrell Court) for people with Learning Disabilities. All remaining Day Services face privatisation, via transfer to social enterprise. By reducing staff terms and conditions they undermine a skilled, stable and dedicated group of staff.

The Day Centre's under threat are Cambridge Road, Eastham, Heswall, Highcroft, Moreton, & Pensby Wood.

These offer a vital service and the changes will have a significant and detrimental impact upon people who use these services and their carer's.

We call upon the Council to:

- Keep all Day Centre's open
- For a fully resourced day service
- · No Privatisation of Day Services
