

Disagree to Designated Public Places Order

1.	I'd like to know just what is the nuisance. I've not heard of any nuisance or trouble. Litter is my worry. It will all be up to our knees. That is 'people' trouble.
2.	Whilst I accept that alcohol can sometimes be behind incidents involving nuisance etc in the area, I cannot see why there is a need to give any additional powers to the Police to deal with it. Its just more nanny-state nonsense.
