## CABINET

11 JULY 2013

<b>SUBJECT</b>	<b>REVENUE MONITORING 2013-14 MONTH 2 (MAY 2013)</b>
<b>WARD/S AFFECTED</b>	<b>ALL</b>
<b>REPORT OF</b>	<b>INTERIM DIRECTOR OF RESOURCES</b>
<b>RESPONSIBLE PORTFOLIO HOLDER</b>	<b>COUNCILLOR PHIL DAVIES</b>
<b>KEY DECISION</b>	<b>YES</b>

### 1 EXECUTIVE SUMMARY

- 1.1 This report sets out the revenue position for 2013-14 at Month 2 (May 2013) and actions to minimise risk.

### 2 RECOMMENDATIONS

Cabinet is asked to note:

- 2.1 at Month 2 (May 2013), the full year forecast projects a General Fund underspend of £41,000.
- 2.2 there were no rejected freeze items in the month;
- 2.3 that Strategic Directors are to find compensatory savings for budgetary issues (Annex 12) not covered from corporate resources for Month 3.

### 3 OVERALL POSITION AT MONTH 2 (MAY 2013)

- 3.1 The projected revenue forecast for the year at Month 2 shows a projected underspend General Fund position of £41,000. A number of departmental underspends have been earmarked against ongoing or emerging financial issues. An allocation of £1.8 million against the £2 million savings profiling account (page 7 of the Budget Book and Forecasts 2013/16) has been assumed based upon latest estimates of the delivery of staffing savings.

#### 4 CHANGES TO THE AGREED BUDGET AND VARIATIONS

4.1 The Budget for 2013-14 was agreed by Council on March 5, 2013 and is detailed in [Annex 2](#); any increase in the Budget has to be agreed by full Council. Changes to the budget have occurred since it was set and these are summarised in the table below. These are detailed in [Annex 3](#).

4.2 A new council structure has been introduced for 2013/14. The Budget Book and forecasts 2013/16 was published with a number of assumptions regarding service splits which were to be refined. A number of changes have since been identified. To improve clarity, from Month 2, Infrastructure Services and Transport are shown separately from Children and Young People.

4.3 The main report will only comment on large variations (Red and Yellow items). The 'variations' analysis, over 27 budget areas, distinguishes between overspends and underspends. The 'risk band' classification is:

- Extreme: Overspends - **Red** (over +£301k), Underspend **Yellow** (over -£301k)
- Acceptable: Amber (+£141k to +£300k), Green (range from +£140k to -£140k); Blue (-£141k to -£300k)

Red Overspend	0	0	0	0	0	0.0%
Yellow Underspend	0	0	0	0	0	0.0%

The full Table is set out at [Annex 4](#)

4.4 The reporting process identifies over or underspends and classifies them into risk bands. The projection is for no over or underspend for 2013-14, as set out in the table below, which records no departments as red or yellow:

4.5 Within the various departments there have been the following developments:

- **Chief Executive:** No variations are forecast at present (no change from Month 1).
- **People:** No overall variance is forecast at present (no change from previous month). Early implementation in 2013/14 of some measures to repay one-off funding supporting the 2013/14 budget has occurred. These were originally scheduled to commence in 2014/15 and have enabled monies to be used as follows:
  - Adults: Monies have been earmarked to cover an adjustment to income of £2m to reflect the actual in year performance, and a further £0.5m has been earmarked against liabilities relating to past Social Services debt. A further £0.9m has been earmarked against repayment of the one-off funding provided in 2013-14.
  - Childrens: A number of variances are assumed covered by the corporate savings profiling account whilst £0.7 million has been earmarked against repayment of the one-off funding provided in 2013-14.

- **Places:** The Housing and Community Safety variance is mainly a result of a grant which has previously been incorporated into formula grant and is detailed in Annex 12. If not fixed, the variance will be covered on a temporary basis from the Regeneration business area.
- **Transformation & Resources:** A £41k underspend is currently forecast, due to insurance fund contract savings.

**Graph 2: 2013-14 Department Variance, by month**

- 4.6 To complete the analysis, the table below sets out the position by category of spend/income. The largest area of variance remains supplies and services which incorporates the cost of care for adults and children.

- 4.7 Schools expenditure is funded from the Dedicated Schools Grant. As this grant is ringfenced any over/underspend will not impact on the General Fund.

- 4.8 Since agreeing the 2013/14 budget, a number of budgetary issues have arisen which may require further corrective action. Work is underway to verify the values concerned and where possible reduce their impact. A number of items have been dealt with within this monitor. Details of these issues are detailed in [Annex 12](#). Strategic Directors are currently identifying the funding of these items and this will be reported back in the Month 3 monitor.

## 5 IMPLEMENTATION OF 2013-14 SAVINGS – THREE TYPES

- 5.1 The delivery of the **March 5 Council** savings (Type 1) is so key to the Council's financial health, that they are being tracked at Council and Directorate level. The assumption is that, where there is slippage, the Strategic Director will implement replacement savings. The detail is at [Annex 5](#).

**Table 6: Budget Implementation Plan 2013-14 whole Council (£000's)**

Note: Budget Book page 56-58.

- 5.2 There are currently no savings options identified as red rated.
- 5.3 The **one-off funding** in 2013-14 for Adults and Children, requires that they identify equivalent savings (Type 2) during 2013-14 for 2014-15. It is expected that some of the savings will start in 2013-14. As this is identified, it will be presented in Table 7 below and detailed in Annex 6:

**Table 7: Replacing £13.7m one-off 2013-14 funding (£000's)**

BRAG	Brought forward from previous years	Number of Options	Saving Proposed 2013-14	Saving Delivered 2013-14	Saving Proposed 2014-15	Saving Proposed 2015-16	Total Saving Proposed 2013-16
Adults 8.8	622	30	3,430	0	3,689	1,689	8,808

Note: Further proposals require identifying. Total proposals may end up being greater than target to allow for slippage. Any savings achieved in 2013/14 will reduce the agreed call on reserves in 2013/14. Assumed £1.6 million of 2013/14 savings can be used to fund 2014/15 target.

- 5.4 The **spending freeze** (Type 3) has been extended for April-June 2013, for the three reasons set out below:
- Risk.** The increased level of financial risk in 2013 included items that introduced change from April 2013 for which there was no evidence on which to judge that the risk had diminished, remained the same, or increased. Therefore the prudent response, whilst waiting for evidence to emerge, was to reign in expenditure;
  - Closedown.** The outturn for 2012-13 would not be available to Cabinet until June 13<sup>th</sup>. To cover the possibility that it could be worse than the M11 forecast, of an overspend of £7.4m, the prudent response was to continue the spending freeze;
  - Change.** The 2013-14 budget has built into a greater level of savings than has ever been attempted in the Council's history. Although reasonable assumptions have been made, there is the danger that a worse case could occur. Cover for that eventuality, via a spending freeze, would be prudent until there is evidence of successful implementation.

- 5.5 The detailed freeze items are set out at [Annex 7](#). The purpose of the exercise is to reduce any projected overspend, which by Section 28 of the Local Government Act 2003, is the duty of the Council, that is, all of its Members.
- 5.6 The 2013-14 Revenue Budget resolved a number of Bad Budgets that were identified during the year. This has been done in a number of ways:
- Base budgets were increased by £8.0 million;
  - One-off funding of £13.7 million (see paragraph 5.3 above);
  - Suppressing Demand by £3.4 million.

Suppressed demand in Children and Young People totals £1.9m which will be managed during the year. 2012-13 saw improvement in care costs and transport, which resulted in bad budgets and budget growth pressures being less than anticipated. Budgets were also reduced where savings were achieved in 2012-13 in areas such as Children in Need, Traded Services, and general expenditure controls.

The remaining suppressed demand of £1.5million relates to DASS. Future monitors will detail actions being put into place to deliver this.

- 5.7 The 2013-14 budget includes a savings profiling account of £2 million and a Change Management Implementation Fund of £4 million. The majority of savings included within the budget were calculated on a full year basis. However it was known that a number of savings would only achieve a part year impact in 2013/14. This is particularly the case where staffing reductions were required. The delivery of savings is under constant review and Directorates are examining ways of funding any slippage before a call on central funding is requested. The latest forecast staffing savings slippage is estimated at £1.8 million and, should this not be financed internally by Directorates, will be earmarked against the Savings Profiling account (page 7 of the Budget Book and Forecasts 2013/16). This figure will be updated as the year progresses.

## 6 CONTROL OF GROWTH

- 6.1 The impact of demographic change and financial cover for risk - that is outcomes that could be worse than assumed - was built into the budget as set out in Tables 8 and 9, and is detailed at [Annex 8](#). It is important that estimates of growth for 2013-14, made in November 2012, are checked against actual demand so that any over-estimate is revised accordingly. Equally, the funding to cover risk can only be accessed for 2013-14 where evidence can be adduced for that funding.

## 7 INCOME AND DEBT

7.1 The Council's income arrangements with regard to non Council Tax and Business Rates were reviewed and reported to the May 23 Cabinet. Revenue and Income falls into the four broad areas shown below for reporting purposes, which will be developed:

**Table 10: Amount to be collected in 2013-14 £000's**

	2013-14 Collectable	2013-14 Collected	%
Council Tax	135,419	25,680	19.0
Business Rates	70,396	13,749	19.5
Fees and charges – Adults	30,795	7,569	24.6
Fees and charges – all other services	21,464	11,980	55.8

7.2 There is a backlog of Accounts Receivable debt to be processed in the last two areas. Reporting will continue until a normal level of debt is reached. The detail is at [Annex 9](#).

7.3 A high risk income item is that required from residents who previously paid no Council Tax. The graph below will track collection performance against the budget assumption.

**Graph 3: Projected / Actual Council Tax Support Collection by month £000**

- 7.4 The council tax support scheme was introduced in April. As this involves billing a large number of properties who have not previously paid Council Tax, having previously received benefit at 100%, an overall collection rate of 75% generating £2.8 million has been assumed. The forecast is that £1.86 million (66%) will be collected by 31<sup>st</sup> March with recovery actions post 31<sup>st</sup> March increasing the collection to the target figure. At 31<sup>st</sup> May collection was slightly ahead of the profiled forecast
- 7.5 Recovery from non Working Age debtors is continuing as normal. Action taken to recover from those of Working Age that previously received 100% Council Tax Benefit was delayed by a month to allow for late payments or any queries caused by having to pay for the 1<sup>st</sup> time. 6,750 reminders were issued on 10<sup>th</sup> May, the response to which was low although in line with our forecast profile.
- 7.6 Repayment plans offering weekly/fortnightly instalments were offered to those contacting the Council. The 1<sup>st</sup> court hearing is due on 9<sup>th</sup> July, although a relatively low number of cases will be taken for this hearing. Assuming Liability Orders will be granted by the courts, we will look to apply for deduction of benefits or attachment of earnings wherever possible. For benefit claimants this allows for £3.65 per week to be deducted from the claimants benefit which, for a Band A property, will take in excess of 18 months to collect. It is inevitable some customers will refuse to engage with the Council, or deductions or an attachment is not possible, and we will have no alternative other than to use bailiffs to attempt to collect this debt. Discussions have been held with bailiffs explaining the circumstances that have led to the debt and likely collection profiles. These new debtors will be identified to the bailiff.
- 7.7 Issues regarding the collection of sundry debt were reported to Cabinet on 23 May 2013. The use of reserves had been earmarked to fund any increased need for debt write offs or increase to the bad debt provision. A significant amount of income has been received to reduce the level of debt and therefore the call on reserves. There is a need to fund the costs of severance and associated increased pension costs in the year of up to £5.5 million. It is proposed that any unused reserves will be used for this purpose.
- 7.8 The delivery of permanent savings on staffing budgets requires initial costs to be incurred for redundancy costs and where applicable pension. Provision of £5.5 million has been made for these costs and this remains the latest estimate for the implementation of the 2013/14 savings. Payments of £3.7 million have so far been incurred for these costs. The remaining costs will be incurred as staff leave the authority during 2013/14.
- 7.9 Business Rates income collection was 19.5% during May. This was approximately £760,000 less than at the equivalent period in 2012-13. Comparisons will fluctuate as some payments received early last year in respect of Health Authority payments amongst others are awaited this year. The timing of refunds may also skew the comparison. Recovery procedures have been tightened with debt being pursued earlier and the position is being closely monitored.

## **8 MANAGEMENT ACTIONS**

- 8.1 The Departmental Directors and the Chief Executive's Strategy Team will seek to identify actions to keep spend within the Budget allocated – these actions are

detailed in Annex 10. The spending freeze agreed decisions are reflected within the tables above.

- 8.2 It is proposed that, as part of the budget architecture, prudent budget management is rewarded at the year-end, with the ability to carry forward underspends. Equally, less than prudent budget management will require that departments fund any overspending from the following year's budget. The detailed guidance will be presented for approval at Month 3.

## 9 CASHFLOW

- 9.1 As part of the development of monitoring, cost centre managers are embarking on the profiling of their budgets to reflect how spend actually occurs. Eventually we should be able to be proactive in deciding when spend will take place, and get income to arrive earlier to improve the Council's cashflow and earn more income from interest. This section will develop over the year.

## 10 RELEVANT RISKS

- 10.1 The possible failure to deliver the Revenue Budget will be mitigated by:
- The training of cost centre managers to improve skill levels; four events on profiling and forecasting budgets have been delivered to over 160 cost centre managers with the next event planned on building next year's budget.
  - A specific tracking system of savings to ensure delivery;
  - Improvements to procurement compliance, to generate more savings and better monitoring information;
  - A monthly review by Chief Officers, and Cabinet, together with an improved Scrutiny regime, and greater transparency;
  - Individual monthly review by Cabinet Portfolio holder at portfolio meeting;
  - Agreement that Strategic Directors are to 'consume their own smoke' regarding slippage not covered from central funds;
  - A successful capitalisation submission will reduce the call on revenue resources.

## 11 OTHER OPTIONS CONSIDERED

- 11.1 Any option to improve the monitoring and budget accuracy will be considered.

## 12 CONSULTATION

- 12.1 No consultation has been carried out in relation to this report.

## 13 IMPLICATIONS FOR VOLUNTARY, COMMUNITY AND FAITH GROUPS

- 13.1 As yet there are no implications for voluntary, community or faith groups.

## 14 RESOURCE IMPLICATIONS: FINANCIAL, IT, STAFFING AND ASSETS

- 14.1 Cabinet 18 February 2013 agreed a revised 2013/14 General Fund balance risk calculation of a minimum of £13 million. The level to be achieved by March 2014 is £17.7m.

**Table 11: Summary of the projected General Fund balances**

Projected balance 31 March 2014		17.24

Note: these figures may be subject to change as the 2012/13 accounts were being finalised as this report was written.

- 14.2 The current levels of Earmarked Reserves are shown in Table 12 with a full listing included at Annex 11. Earmarked Reserves are currently forecast to be £64.9 million which compares to £86.2 million reported in the June 2012 Revenue Monitor.

**Table 12: Earmarked Reserves 2013/14**

Note: these figures are subject to change as the 2012/13 accounts were being finalised as this report was written.

## **15 LEGAL IMPLICATIONS**

- 15.1 The entire report concerns the duty of the Council to avoid a budget shortfall as outlined at paragraph 5.5. This is not just an academic exercise in balancing the books. The Chief Finance Officer is under a personal duty under the Local Government Finance Act 1988 section 114A to make a report to the executive if it appears to him that the expenditure of the authority incurred (including expenditure it proposes to incur) in a financial year is likely to exceed the resources (including sums borrowed) available to it to meet that expenditure.
- 15.2 If the Chief Finance Officer reports that there are insufficient resources to meet expenditure, the Council is prevented from entering into any new agreement which may involve the incurring of expenditure at any time by the authority, until the report is considered, and if the problem is ongoing until it is resolved. It is remarkably broad in its prohibition of new agreements, no matter what their scale. It would not only prevent the authority from hiring new staff or letting new construction contracts, but from ordering minor office supplies.

## **16 EQUALITIES IMPLICATIONS**

- 16.1 This report is essentially a monitoring report which reports on financial performance. Any budgetary decisions, of which there are none in this report would need to be assessed for any equality implications.

## **17 CARBON REDUCTION IMPLICATIONS**

- 17.1 There are no implications arising directly from this report.

## **18 PLANNING AND COMMUNITY SAFETY IMPLICATIONS**

- 18.1 There are no implications arising directly from this report.

## **19 REASONS FOR THE RECOMMENDATIONS**

- 19.1 The Council, having set a Budget at the start of the financial year, needs to ensure that the delivery of this Budget is achieved. This has to be within the allocated and available resources to ensure the ongoing financial stability of the Council. Consequently there is a requirement to regularly monitor progress so that corrective action can be taken when required which is enhanced with the monthly reporting of the financial position.

A July commencement date will result in £250K of the saving being delivered from 2014/15 onwards. School Waste	180	An income target has been created which will be monitored throughout the year. Currently there are no problems envisaged to achieving this saving.	G

### **Discretionary Housing Payments**

Discretionary Housing Payments (DHP) may be awarded to provide short term financial assistance to Housing Benefit claimants who are experiencing difficulty meeting a shortfall in their rent because maximum benefit is not being paid. DHP is not a payment of Housing Benefit and is funded separately from the main scheme.

The Government contribution for 2013/14 is £917,214 with an overall limit of £2,293,035 which the Authority must not exceed. These levels have increased significantly this year as part of central government's measures to help alleviate hardship resulting from the major welfare reforms, such as under occupancy as well as ongoing Local Housing Allowance issues. In April £27,093 was paid, however there were at month end 745 claims to be considered. These new applications are mainly due to those affected by the under occupancy sanctions and additional information has been sought to allow assessment to proceed. It is expected that Wirral will use up the full government contribution by year end.

### **Local Welfare Assistance**

From April 2013, the discretionary Crisis Loans for Living Expenses and Community Care Grant elements of the Social Fund were abolished and replaced in Wirral by our new Local Welfare Assistance Support Scheme (LWA). For 2013/14 Wirral's scheme is supported by a £1,345,925 Government Grant. Wirral's scheme replaces cash

payments in favour of suitable alternatives where at all possible e.g. through the provision of pre payment cards for food and fuel and direct provision of white goods. The scheme is to be reviewed after six months to see how implementation has gone and for possible scheme alterations. The number of applications is rising on a week by week basis. LWA applications for May 2013 average 77 per week
