SECTION 1: INTRODUCTION

This Handbook provides practical guidance to everyone involved with Wallasey Constituency Committee; including members of the public, Elected Members (ward councillors), service delivery partners and Council officers. The guidance in this Handbook should be read alongside the Council's Constitution, which can be found here.

<http://democracy.wirral.gov.uk/ecSDDisplay.aspx?NAME=SD867&ID=867&RPID=1000884748&sch=doc&cat=12881&path=12881>

This Handbook sets out procedures and processes to help the business of the Constituency Committee run smoothly. While the Handbook supports the rules and procedures set out in the Council's Constitution (link above), the Council's Constitution will always take precedence over the Handbook.

“Wirral will be a place where the vulnerable are safe and protected, where employers want to invest and local businesses thrive, and where good health and an excellent quality of life is within the reach of everyone who lives here”.

This is the vision and aspiration for Wirral. Neighbourhood working, through the Constituency Committees, will help improve the link between the strategic priorities and local priorities. It is the Constituency Committee that will deliver an area vision, which local Elected Members, local residents, service delivery partners, Council officers and voluntary, community and faith groups will drive and implement.

Wallasey Constituency includes the wards of Leasowe & Moreton East; Liscard; Moreton West & Saughall Massie; New Brighton; Seacombe and Wallasey.

[to be inserted: vision for Wallasey Constituency from Constituency Plan 2014/15]

Wallasey Constituency Committee consists of 18 Elected Members (three ward councillors for each of its six wards) and six Community Representatives; one of which is a young person's representative. Further detail on the appointment of Community Representatives can be found in Section 3.

This Handbook will be reviewed on an annual basis or sooner if required. Next due for review April-June 2015.

SECTION 2: BACKGROUND TO NEIGHBOURHOOD WORKING

The Localism Act 2011 gave councils more freedom to work together with others in new ways and introduced new rights for communities including a 'Right to Buy' public assets and increased opportunities for participation in the delivery of services. Locally this presented opportunities to forge new partnerships with communities to evidence, shape and deliver public policy and services across the borough.

Strong neighbourhood working can provide the basis for the Council, public services and the wider community to facilitate a more flexible response to residents' issues through co-ordinated services and involving residents in shaping decisions and services. Local Councillors have a significant leadership role to play in this process.

Neighbourhood working was introduced in Wirral in mid to late 2013, with the Council, Merseyside Police and Merseyside Fire & Rescue Service taking the first steps to configure services into a Constituency footprint, mirroring the parliamentary (national voting area) boundaries (i.e. Wallasey, Birkenhead, Wirral South and Wirral West). Neighbourhood working operates across organisational boundaries to help ensure residents and services work together to improve their neighbourhood.

The benefits of neighbourhood working include:

- Greater opportunities for Elected Members to lead and influence local service delivery within their localities and to respond to local needs and priorities;
- Increased community confidence to explore creative and innovative approaches to meet local needs;
- Increased multi-agency working so delivering better value for taxpayers' money by reducing duplication across service areas;
- A local focus on the efficiency and effectiveness of service delivery by bringing the Council closer to the needs and priorities of local communities.

Each Constituency area will have a Constituency Plan produced by the respective Constituency Committee setting out the priorities and objectives for the area for the coming period. The Constituency Committee is supported by a local Public Service Board (see **Section 7**) which brings together a range of service, agencies and partners to co-ordinate the strategic delivery of the Constituency Plan and report progress to the respective Constituency Committee.

SECTION 3: ROLE OF THE CONSTITUENCY COMMITTEE

The role of Wallasey Constituency Committee includes the following:

- Agree desired outcomes, develop and monitor a Constituency Plan for Wallasey;
- Commission activities relevant to the Constituency Plan;
- Review, problem solve and establish the most effective operation of responsive front line services;
- Resolve 'large' community issues which impact on a significant number of residents;
- Maximise the engagement of local residents and other stakeholders in decision making on matters which affect them.

The Committee's remit includes all locally delivered statutory services, enabling Elected Members and Community Representatives to exercise a much broader influence over activity in the public sector.

Wallasey Constituency Committee has a devolved budget. [to be inserted: details of devolved budgets/services when determined]. However, not all service decisions or budgets can be devolved to the Constituency Committee. This is for a number of reasons including that some budgets are allocated according to Wirral-wide criteria often in response to national requirements; there is a need to support service delivery patterns and different partner organisations outside local government and there is a need to retain some budgets at the centre to support strategic service delivery to maximise economies of scale and efficiency.

Wallasey Constituency Committee will monitor the local impact of all public services. Meetings of the Constituency Committee will be open to the public and press (however there may be occasions when specific matters may need to be considered in private). Local residents interested in specific agenda items will be able to have their say before decisions are taken through a public question time (see **Section 4**).

Information will be easy to access, understand and tailored, as appropriate, to different audiences to support involvement, being aware of the equality requirements.

Conduct of meetings

Constituency Committee meetings are open to the public. Each agenda is published no less than 5 working days before the date of the meeting. These are published online at

<http://democracy.wirral.gov.uk/ieListMeetings.aspx?CommitteeId=690>

Committee meetings are held four times a year during the evening at 6pm, allowing those with daytime commitments to attend. Where possible, meetings will be held on Thursdays to enable the respective Member of Parliament to attend. The dates for this financial year are set out in **Appendix 1**.

For the Constituency Committee to have the information it needs to carry out its role, it may require the attendance of the relevant portfolio holder (Cabinet member), Director and/or any senior officer to provide evidence or information on reasonable notice. To make sure that the Committee can carry out its business effectively, it is the duty of an officer of the Council to attend if asked to do so.

The work of the Constituency Committee is extremely varied and may involve making decisions, being involved in consultations and responding to questions from the public. Members of the Committee are expected to make a declaration of any interest that is known to them in relation to an Agenda item at the start of the meeting. Members must disclose “disclosable pecuniary and non pecuniary interests” and how the interest arises. (It may also be necessary for members to make an interest known if an interest arises during the course of the meeting). Depending on the nature of the interest, the Member may be required to leave the meeting whilst that Agenda item is dealt with by the Committee. To ensure the smooth running of the meeting, each member should consider, when reading the Agenda in preparation, whether they need to declare an interest. Members should seek advice well in advance of the meeting from the Legal Services Officer at the meeting or Monitoring Officer if they are in doubt or have any particular queries or concerns in this regard.

Process

Community Representatives on the Constituency Committee are not Public Appointments and are not elected by local residents to represent an area, unlike Elected Members. The appointment of representatives onto the Constituency Committee will be reviewed annually.

Period of appointment

- Elected Members every four years
- Community Representatives for one municipal year

Vacant Community Representative positions may be filled within the municipal year subject to agreement by the Constituency Committee. If a recruitment process has taken place within the previous 6 months, applicants who were unsuccessful may be reconsidered in order to expedite the process.

Appointment of Chair and Vice-Chair

The Chair and Vice-Chair of the Constituency Committee will be Elected Members and will be appointed by the Committee.

The Chair and Vice-Chair of the Committee will be appointed at the first meeting of Wallasey Constituency Committee in each Municipal Year.

Criteria for Community Representatives

- A representative can be an active member of a group that operates within the Constituency, or has strong links within the voluntary, community and faith sector;
- A representative should have a defined area in which they operate, established networks and appropriate processes for passing information between the Committee and the community that they represent;
- A representative will bring additional knowledge and experience to Constituency Committee meetings (and other meetings such as Task & Finish Groups) that will support the decision making process.

Appointment process for Community Representatives

Wallasey has six places for the co-option of Community Representatives and has chosen to set aside one of these for a young person's representative (see below).

Prior to the start of each Municipal Year, invitations will be sought from members of the public to nominate themselves for co-option as a Community Representative. This opportunity will be advertised using various media platforms, Wirral CVS, Voluntary Community Action Wirral (VCAW) and other partners.

Young person's representative

Applicants for the young person's representative position must be aged 15-24 (inclusive at the time of application). This will be advertised and promoted within youth forums, schools and colleges.

Elected Members and existing Community Representatives have a role to play in promoting the role of Community Representatives in the Constituency Committee. The recruitment process may be supported with a recruitment event at which existing Community Representatives would be expected to support and participate.

Individuals may apply through submission of an application form (**Appendix 2**). A 'Selection Panel' Task & Finish Group will be formed of Elected Members to consider and review all nominations (see page 8). The Task & Finish Group may choose to interview all applicants or shortlisted applicants. The Task & Finish Group will make recommendations to the Constituency Committee about which Community Representative applicants should be considered for co-option. It is a matter for the Task & Finish Group how they select the nominees, but they must adopt a fair and transparent selection process.

Existing Community Representatives are welcome to reapply and are not disbarred from serving further term/s.

Substitutions

With the prior approval of the Chair, a Community Representative may substitute another named member of their group to attend a Committee meeting and/or Task & Finish Group on their behalf. Elected Members may nominate a substitute to attend a Task & Finish Group meeting/s on their behalf.

Voting rights

All Elected Members have voting rights. Community Representatives, whilst not having voting rights, can still undertake a full role in terms of sharing their views and knowledge and influencing discussions and debates. Where a vote is to be taken on an issue by Elected Members at Committee the views of Community Representatives will be sought prior to taking that vote.

Principles of conduct

All Elected Members are required to conduct themselves in accordance with the Members' Code of Conduct.

The Members' Code of Conduct also applies to co-opted members (such as the Community Representatives).

Any complaints received against Elected Members or co-opted members will be dealt with in accordance with the Protocol for Dealing with Complaints under the Members' Code of Conduct.

Expenses

Any travel and subsistence claim must be claimed in accordance with the Members' Allowances Scheme included in the Council's Constitution.

Training

The Council provides an ongoing programme of training seminars which provide background information to a range of issues pertinent to the Council. This training is available to both Elected Members and Community Representatives. Newly Elected Members and Community Representatives also receive an induction.

Task & Finish Groups

A Task & Finish Group can be set up by the Committee to undertake further work or analysis with a view to drawing together recommendations for the Constituency Committee to consider further.

Due to the composition of Wallasey Constituency Committee, any Task & Finish Group will consist of six Elected Members (ratio of 4 Labour: 2 Conservative) and two Community Representatives. The exception to this is the 'Selection Panel'

Task & Finish Group. Due to the potential conflict of interest only Elected Members will sit on this Task & Finish Group.

Terms of Reference

- The Group may be led by the Constituency Manager or the Group may vote a Chair;
- The Constituency Manager will undertake an advisory role;
- Additional advisors may be appointed by the Group (including from partner agencies);
- The frequency of meetings will be agreed by the Group based on the nature of the task and timescales involved;
- Work will be carried out in a transparent, inclusive and timely manner;
- Progress will be reported and recommendations made to the Constituency Committee;
- There is no requirement for the meetings to be minuted.

SECTION 4: COMMUNITY ENGAGEMENT AND COMMUNICATIONS

Community engagement

Wallasey Constituency Committee will support genuine opportunities for people to have their say. This will form part of standard practice and cover aspects from the delivery of services to policy and decision making. The Constituency Committee recognises that the most effective form of engagement is 'involvement'.

Public Question Time

As standard, each Constituency Committee meeting will include a Public Question Time. Whilst a small proportion of time may be allowed for 'on the night' questions, in order to enable a comprehensive response at the meeting and to allow members of the public to participate who are unable to attend the meeting, questions will be required to be submitted in writing in advance of the meeting.

Subject to sufficient questions being submitted, no less than 20 minutes will be set aside for the Public Question Time. Replies to questions will be given verbally. If it is not possible during the Committee meeting to answer every question and/or there are questions that require further consideration, these will be responded to in writing within 14 working days by the appropriate officer. It is a matter for the Chair at each meeting and subject to the agenda whether to extend this time. Preference will be given to questions submitted in advance, but at the discretion of the Chair a further question/s from a member/s of the public in attendance may be allowed 'on the night'.

Process for the submission of questions:

Questions submitted prior to the Constituency Committee meeting must be in writing and relate to a single issue. This can be done by:

- completing the online question form [www.wirral.gov.uk/wallasey] or,
- downloading the Wallasey Constituency Public Question Time Form [www.wirral.gov.uk/Wallasey] and sending your completed form to: Wallasey Constituency Team, Town Hall, Brighton Street, Wirral, CH44 8ED.

Residents with literacy issues can have submissions made on their behalf or be supported to complete forms by Council One Stop Shops. Questions will be required to be submitted by no later than 4.00pm the afternoon before the Committee meeting.

The Chair of the meeting will determine which questions will be dealt with at the Committee and the order in which they will be taken. Questions which are considered defamatory, unsuitable, frivolous or derogatory will not be accepted. Questions should not refer to individual officers or members of the Council by name. An individual present whose question has been answered will not be able to discuss the reply, but may ask one supplementary question. Once a question

has been answered, the same question posed within a three month period will not be considered for further response.

'Have Your Say' meetings

A public 'Have Your Say' meeting will be operated prior to the start of each Constituency Committee meeting (an hour before). Initially, this will be focused around the work of Merseyside Police. Where possible this will be attended by the Neighbourhood Inspector, but may from time to time be deputised by a Neighbourhood Sergeant. An update will be provided by the Police about crime and disorder in the Constituency over the previous quarter, followed by a public question and answer session. The meeting will conclude with a discussion about issues/short-term priorities that the public wish for the Police to concentrate on over the forthcoming quarter. The Police will provide an update on how they have addressed the short-term priorities identified at each previous meeting. These short-term priorities will supplement annual priorities set out in the Constituency Plan. This meeting will be supported by the Constituency Manager.

This will be expanded over time to include broader Council services and partners in a 'marketplace' type engagement event for the public. A standing agenda item within the Constituency Committee agenda will include a verbal update from the earlier 'Have Your Say' meeting, in order that the Committee can be informed about issues raised and short-term priorities set. Initially this update will be provided by the Neighbourhood Police Inspector (or deputy) and, as this meeting extends, wider updates for other Council services and partners will also be provided (for efficiency this may be provided by the Constituency Manager).

Wider methods of public engagement are set out in Wallasey Constituency's Community Engagement Framework (**Appendix 3**).

Communications

Wallasey Constituency Committee is committed to ensuring that regular and meaningful information is made available to residents in all communities about the work of the Committee and activity in the area.

A key way of updating local residents is through the production of a quarterly Constituency Committee newsletter. This will be made available electronically with hard copies available in public buildings. Individual projects, objectives and targets associated with each Committee are local and specific to each Constituency, and as such require individual communications plans.

Wider methods of communicating with local residents, businesses and stakeholders are set out in Wallasey Constituency's Communications Plan (**Appendix 4**).

SECTION 5: BUDGETS AND SPEND

[to be inserted: process for 2014/15 when agreed. To include reference to the adoption of the Council's new Commissioning & Procurement Strategy (due by April 2014)].
