DECISION TO BE TAKEN BY: Councillor Pat Hackett

KEY DECISION: No

PORTFOLIO AREA: Regeneration and Planning

PORTFOLIOS AFFECTED: Regeneration

WARDS AFFECTED: All

SUBJECT: Local Development Framework for Wirral – Evidence Base –
Water Cycle Study

1. RECOMMENDATION:

- (1) That Council is recommended that the findings of the Water Cycle Study are used to inform the content of the Council's emerging Local Development Framework and is approved as a material consideration for use by Planning Committee in the determination of planning applications.
- (2) That the implications of new development on the capacity of water supply, wastewater treatment and flood prevention infrastructure is kept under constant review in consultation with the relevant water and wastewater utilities providers, the Environment Agency and other relevant statutory agencies.

2. REASONS FOR THE DECISION

To provide an up-to-date evidence base for the preparation of the Council's Core Strategy Plan, future site-specific land allocations and to comply with the conditions of the designation of the Mersey Heartlands Growth Point.

3. STATEMENT OF COMPLIANCE

The report has been prepared with the approval of the Head of Legal and Member Services and the Interim Director of Finance. The accompanying Equality Impact Assessment has been approved by the Council's Corporate Equality and Cohesion Manager.
