1.0 EXECUTIVE SUMMARY

1.1 The purpose of this report is to seek authority to acquire the freehold interest of the former Birkenhead Ambulance Station.

2.0 BACKGROUND AND KEY ISSUES

2.1 Cabinet previously agreed to the creation of a Wirral Youth Zone an iconic, modern state of the art centre for young people on the site of the land released by the creation of the new Birkenhead Fire Station. Cabinet meetings of 2nd February and 29th November 2012 refer.

2.2 A provisional agreement has now been reached with the North West Ambulance Service (NWAS) to acquire the former Birkenhead Ambulance Station to create a games area on land adjoining the proposed youth hub. The station will ultimately be demolished to create a site for the games area, but initially it will be used as a temporary store for furniture that becomes surplus due to office rationalisation and the reduction in staff numbers. The land to be acquired comprises approximately 1440 m\(^2\) and is shown edged red on the attached plan.

2.3 It is proposed that the Council acquire the former ambulance station for the sum of £50,000.

2.4 The NWAS has agreed to dispose of the station to the Council for £50,000 on the premise that the land is used for the Youth Zone. In the event that the Youth Zone does not go ahead and the land is disposed of in some other way NWAS would require a 40% contribution from any future sale value above the value of £50,000.
