- 1.2 The Appendix details the cases subject to the Extension/Variation or Waiver rules for the period 1 December 2013 to 31 December 2014 which under Contracts Procedure Rule E123 requires that all contracts which meet the following criteria are reported to Audit and Risk Management Committee:-:

2 BACKGROUND AND KEY ISSUES

- 2.1 The revised Contracts Procedure Rules came into effect on the 1 December 2013 significantly changed the rules and the way they are applied.
- 2.2 The rules placed the responsibility for the approval of contracts on officers of the Council and a new process of Officer Decision Notices (ODN’s) was introduced.
- 2.3 Each contract listed on the ODN directory has a corresponding ODN document which identifies the purpose and details of the contract and is signed by the authorised Designated Senior Manager, Procurement Officer or Director of Resources according to the nature and value of the contract.
- 2.4 Each contract is posted on the Council’s Contracts Register ‘The Chest’, which is the Regional e-Sourcing Portal for the North West local authorities.

2.5 A complete review of the Contract Procedure Rules is under way. This includes the adoption of the new EU Procurement Directives and any amendments required that have been identified during the past twelve months. The review will be subject to Member approval before implementation.
