1.0 EXECUTIVE SUMMARY

- 1.1 This report explains the planned approach for the production of the Council's Annual Governance Statement 2014/15. It provides an outline of the work required to prepare the Statement, and sets out indicative timescales.
- 1.2 The report also provides an update on the progress that the Council has made to address the significant governance issues identified in the 2013/14 Annual Governance Statement.

2.0 BACKGROUND AND KEY ISSUES

- 2.1 The preparation and publication of an Annual Governance Statement (AGS) is necessary to meet the statutory requirement set out in the Accounts and Audit (England) Regulations 2011, Regulation 4(3).
- 2.2 It is necessary for the Authority to have approved and adopted its own Code of Corporate Governance that complies with the principles of the CIPFA/SOLACE Framework *Delivering Good Governance in Local Government*; and to report publicly through the AGS the extent to which the governance processes outlined in the Code are operating effectively in practice.
- 2.3 The Framework identifies six core principles of good governance:
 1. Focusing on the purpose of the Authority and on the outcomes for the community and creating and implementing a vision for the local area.
 2. Members and Officers working together to achieve a common purpose with clearly defined functions and roles.
 3. Promoting values for the Authority and demonstrating the values of good governance through upholding high standards of conduct and behaviour.
 4. Taking informed and transparent decisions which are subject to effective scrutiny and managing risk.
 5. Developing the capacity and capability of Members and Officers to be effective.
 6. Engaging with local people and other stakeholders to ensure robust accountability.
- 2.4 As a public statement of the Council's governance arrangements, it is vital that the Annual Governance Statement is a robust and accurate reflection of the Council's approach to governance during 2014/15. Therefore, it is important that the members of

this Committee, Council's Cabinet and Strategic Leadership Team (SLT) provide the support and engagement required to produce such a document.

3.0 PRODUCTION OF 2014/15 ANNUAL GOVERNANCE STATEMENT

3.1 Internal Audit will conduct a review of the Council's governance arrangements, in accordance with the CIPFA/SOLACE Framework. The findings and relevant supporting evidence from this review will be utilised to prepare a draft AGS, for consideration by committee members. Internal Audit will be responsible for undertaking the relevant assurance work; however it is important to note that the Annual Governance Statement is not owned by the audit function and is a Council statement on the effectiveness of its governance processes. The preparation of the statement will therefore be led by the Council's Strategic Leadership Team and will be approved by the Leader and Chief Executive.

3.2 Collation of assurances in relation to governance has been undertaken on an ongoing basis throughout the year by Internal Audit. In addition, a specific review of the requirements of the CIPFA/SOLACE guidance is currently being undertaken and this work will feature the following main elements:

- A review of the adequacy and effectiveness of the key corporate governance controls (as prescribed by CIPFA/SOLACE), focusing on such areas as performance management, risk management, legal and member services, human resources, and neighbourhoods and engagement.
- Obtaining evidence of the implementation of the "Significant Governance Issues" included within the Annual Governance Statement 2013/14.
- Collation and review of Governance Assurance Statements.

3.3 On the basis of the findings arising from the review, Internal Audit will compile a list of 'Areas of Good Practice' and 'Areas for Improvement' to be considered for inclusion in the Annual Governance Statement.

3.4 A full draft AGS will be reported for consideration by this Committee in June 2015. Members of this Committee will have the opportunity to debate the Statement and contribute to the final version. The final AGS will be reported to the Audit and Risk Management Committee in September 2015.

4.0 REVIEW OF 2013/14 SIGNIFICANT GOVERNANCE ISSUES

4.1 The 2013-14 Annual Governance Statement outlined the following significant governance issues:

- Asset management *(carried forward from 2012-13)*
- Essential training *(carried forward from 2012-13)*

4.2 Regular reports are presented to the Corporate Governance Group, Strategic Leadership Team and the Portfolio Holder for Governance, Commissioning & Improvement to ensure that robust actions are in place to address the governance issue, and that sufficient progress is being made.

4.3 Appendix 1 presents the most recent position in relation to the 2013-14 AGS governance issues. Audit and Risk Management Committee is requested to review the progress made and consider any further actions required to satisfy the Committee that the governance arrangements relating to these issues are robust.

5.0 RELEVANT RISKS
