1. RECOMMENDATIONS:

To consider the feedback from the consultation which lasted a period of 12 weeks commencing 17 November 2014, when we consulted with:

- The wider public in order to ensure that people who are not currently in receipt of services but could need them in the future have a say.
- People directly impacted by elements of this proposal.

2. REASONS FOR THE DECISION

The consultation is required in order for us to generate a series of neighbourhood level, borough wide benefits, these are:

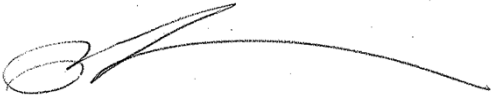

- Better solutions to meet existing social care needs in Wirral and, in the process, built community capital within the neighbourhood and across the borough as a whole
- In order to consult on policy changes resulting from the implementation of the Care Act (2014)

The recommendations are made further to legal advice from the Deputy Monitoring Officer and the Section 151 Officer has confirmed that they do not incur unlawful expenditure. They are also compliant with equality legislation and an equality analysis and impact assessment has been completed.
