1.0 EXECUTIVE SUMMARY

1.1 This report presents Committee Members with the July Policy Briefing papers which include an overview of ongoing and recent national legislation, bills presented to Parliament and emerging policies.

2.0 BACKGROUND AND KEY ISSUES

- 2.1 The policy briefing papers are intended to provide Members with the latest position on emerging policy and legislative developments to support the committees work programme and future scrutiny work.
- 2.2 During the course of the 2015-16 municipal year, the Council's Policy and Strategy team will prepare four policy briefing papers which will be reported to the Policy and Performance Committees for consideration. The following table outlines the timetable for the preparation and reporting of policy briefing papers:

Policy Papers	
July 2015	The first policy briefing will focus predominately on the Queen's Speech, which will establish the Government's legislative programme for the parliamentary year ahead.
September 2015	The second policy briefing will be produced in September and will focus predominately on the Chancellor's July 2015 Budget Statement. The policy briefing will provide an update on policy and legislation and will consider relevant implications for Wirral.

Policy Papers	
January 2016	The third policy briefing will be produced in accordance with the local government finance settlement which informs the annual determination of funding to local government. The policy briefing will provide an update on policy and legislation and will consider relevant implications for Wirral.
March 2016	The fourth policy briefing will focus upon the Chancellor of Exchequers Budget. The policy briefing will provide an update on policy and legislation and will consider relevant implications for Wirral.

2.3 The July Policy Briefing papers focus predominantly on the policies and legislation that have emerged from the newly formed Conservative Government. The papers provide a high level summary based on the available information released by Central Government at this time. It is expected that the September Briefing Paper will be more detailed following the release of further information from Government and will also consider the implications for Wirral.

2.4 The Committee may wish to identify specific policy areas to focus upon which are in line with the Committee's work programme. Detailed briefing papers can be prepared for these subject matters at the request of the Committee which would be in addition to the regular policy briefing papers outlined above.
