### Wirral South Constituency Committee Grants Programmes 2014/15

#### *Wirral South Health & Wellbeing Fund*

17 projects have been funded from the Wirral South Health & Wellbeing Fund during 2014/15. The total amount awarded was £ 45168.97, leaving £4,831.03 remaining.

At the first Wirral South Constituency Committee of 2014/15 (June 25) the above outlined allocation was recommended and resolved. Payments were subsequently made to the approved 17 projects (see figure 1 below for outline of impact). Over 4496 residents across Wirral South have been directly affected by the Wirral South Health & Wellbeing Fund throughout 2014/15.

Figure 1:

It is proposed that the remaining be used to top up the pot for a piece of work (jointly funded and commissioned with Public Health colleagues) to address Social Isolation in Wirral South (overall budget for this is £50k).

The following table details the organisations and projects funded, showing level of funding for each.
