### 3.0 PRIORITY UPDATES

#### 3.1 Improved Open Spaces

3.1.1 At its last meeting of 2014/15 the Wirral South Constituency Committee resolved that Dawstone Park in Heswall be the location of focus in relation to this priority for 2015/16 (Minute 32, resolution 2 refers).

3.1.2 Work with The Friends of Dawstone Park and colleagues in Parks has progressed since the previous committee. Figure one details the various planned and completed works and the remaining budget.

Figure One:

<b>Dawstone Park Budget Sheet</b>		
<b>Item</b>	<b>Cost</b>	<b>Status</b>

2. Park signs :-

<b>Remaining</b>	<b>£6,960.00</b>	

3.1.3 It is proposed (recommendation 14.1) that the Constituency Manager continues to work with colleagues in parks, the Friends of Dawstone Park and the Wirral South Parks Task and Finish Group to complete the improvement works in the chosen location as expediently as possible.

3.1.4 Since the last Constituency Committee in June 2015 Mayer Park (the subject of the committee's support in 2014/15) has had its green flag raising ceremony. The green flag now flies adjacent to the main entrance and the friends continue their excellent work engaging with volunteers from within the local area and beyond.

## 3.2 Gaps in Youth Provision

3.2.1 In November 2014, a pilot project (funded via the Wirral South Constituency Committee) was launched to deliver counselling services for young people in Wirral South. The service was delivered via Youth Support by Response.

3.2.2 The initial pilot was established to assess the uptake of the service and to highlight what the level of need was for the service in the future. Although the pilot has now ceased data suggests that there is an obvious need for the service to continue. The youth related priority for Wirral South states:

*"...To work with internal and external partners to identify and rectify any existing gaps in provision of youth services in Wirral South".*

Evidence suggests that this particular initiative did exactly what the priority was established to do for the young people of Wirral South. Wirral South Constituency resolved in June 2015 that the "...existing 2015/16 budget for gaps in youth provision be used to commission and establish an ongoing service reflecting that of the pilot project (with the aim of launching the service in October 2015)."

Due to resource implications it has not been possible to release this opportunity to tender and have it in place by the previously proposed date. The Wirral South Constituency Manager will work with colleagues in the youth service and public health to ensure this service is commissioned as soon as possible.

## 3.3 Social Isolation

3.3.1 Social isolation is a significant problem within our society and one that we should all be concerned about. Whilst most of us are fortunate enough to have family, friends and neighbours to provide us with a reliable social network, there are some for whom regular social interaction is non-existent.

There are a number of Groups that may be at higher risk of social isolation within our society but for the purpose of this contract the main areas of focus are:

- Older people
- People from black and ethnic minorities
- People who have substance misuse problems
- Carers

(for further information relating to social isolation and its effects on the above social groups see appendix one: SOCIAL ISOLATION ANNUAL REPORT OF THE DIRECTOR OF PUBLIC HEALTH FOR WIRRAL 2012-2013).

- 3.3.2 Since the last constituency committee (June 2015) the request for quotes document was released and prospective providers invited to bid to deliver the service across Wirral South.
- 3.3.3 At the time of writing this report the closing date had not yet passed and as such this report is unable to detail number of received bids etc. The timeline for awarding the contract is early November with contract commencement in December 2015. A full update and introduction to the successful providers will be scheduled for the next constituency committee (February 2016).

## **4.0 OTHER FUNDED WORKSTREAM PROPOSALS**

### **4.1 Your Wirral**

- 4.1.1 The first tranche of funding for Your Wirral in 2015/16 closed at noon 14 September 2015. Eleven applicants were received totalling £18,840. The Your Wirral Assessment Panel are due to meet 6 October 2015 and as such verbal update will be given to this committee by the Constituency Manager.
- 4.1.2 It is important to note that 2015/16 is the final year of the Your Wirral funding and the no further allotment will be allocated to the constituency committee to administer.
- 4.1.3 To be eligible for funding, applications must fit within one or more of the seven themes, which were agreed by the Joint Working Group in line with the charitable objectives of the Community Fund Deed they are:

1. Creating an attractive and safe environment
2. Contributing to community economic regeneration
3. Preventing crime or reducing the fear of crime
4. Providing employment and training for local people
5. Benefiting local people who face discrimination
6. Improving community facilities
7. Engaging communities to improve quality of life

### **4.2 Anti Social Behaviour**

- 4.2.1 At its meeting on 24 February 2015 Council agreed to:

“Provide dedicated funding to Constituency Committees to tackle ASB - £60,000

In support of the constituency committee process and to engage the committees in tackling ASB in their areas, it is proposed to make available a fund of £60,000 to be split equally amongst the 4 Constituency Committees. The ASB team would work with the Constituency Committees and produce action plans to tackle ASB in their area. Constituency Committees will be offered a menu of ASB prevention and intervention activities to enable them to choose what they feel would benefit their areas. Some examples on this menu are – Youth alcohol testing programmes, additional youth provision, sports development workers, enhanced household security campaigns, and increased CCTV camera provision.”

4.2.2 The Constituency Manager has met with various internal and external partners (e.g. Wirral's Anti-Social Behaviour (ASB) Team, Merseyside Police's Neighbourhood Inspector, Youth Services). The ASB Team were tasked with analysing historic evidence to highlight the various hotspots within Wirral South throughout the year. Based upon this analysis a suite of options have been produced and shared with the elected members that form the Wirral South ASB Task and Finish Group for their consideration. The aforementioned group are scheduled to meet 27 October 2015 to discuss their approach re. the devolved budget (£15K).

#### 4.3 Community Clean-ups

4.3.1 At its meeting on 24 February 2015 Council agreed to:

“Community Clean-ups - £40,000

There have been a number of examples during this year where individuals and communities have come together to help clean up their local areas. We applaud the commitment and pride shown by individuals and communities and would wish to support them to continue to do so. We therefore propose allocating £10,000 to each of the four constituency committees to enable local groups to pay for the cost of skips to be provided to support these local clean-ups. Constituency Committee managers will work with staff from the Council's waste team to quickly develop processes for this option to be introduced.”

4.3.4 Similarly to the ASB budget (4.2) the Constituency Manager for Wirral South has met with colleagues in the Waste and Environment Team to discuss proposals for this devolved budget. A number of options have been developed and a “Shopping List” of items that will add value to current services has been developed. Meetings to discuss this spend continue on a ward by ward basis.

#### 4.4 Love Wirral

At the last Constituency committee (Jan 2015) it was agreed that a “Love Wirral” task and finish group be set up (minute 31 refers), comprising the following members:

- Councillors P Gilchrist
- C Muspratt
- S Niblock
- T Pilgrim
- L Rowlands

The group was tasked with developing proposals in respect of the devolved £10K Love Wirral funding. It was agreed electronically that the budget be split evenly between the five wards. Meetings to discuss this spend continue on a ward by ward basis.
