### 1.0 EXECUTIVE SUMMARY

- 1.1 This report sets out Quarter 2 (July – September 2015) performance against delivery of the Transformation and Resources Directorate Plan. The Directorate Plan was reported to this committee on 30 March 2015. The performance report is attached as Appendix 1 and sets out progress against a suite of agreed indicators and key performance measures.
- 1.2 Whilst the Corporate Plan 2015/16 (and supporting Directorate Plans) have been superseded by the Wirral Plan: A 2020 Vision, they still form the basis of the in-year Performance Management Framework. A new Performance Management Framework will be developed for the Wirral Plan once the associated delivery plan has been finalised.

### 2.0 BACKGROUND AND KEY ISSUES

- 2.1 The Transformation and Resources Directorate Plan performance is reported through a set of agreed performance measures aligned to priorities identified in the plan. Performance is monitored against the targets set at the start of the year.
- 2.2 For each measure, a Red, Amber or Green (RAG) rating is assigned depending on the performance level against the target. A number of measures are annual, and these will only be reported when the data is available. The report (Appendix

1) also shows the direction of travel for each measure to illustrate whether performance is improving, deteriorating or sustained.

2.3 Of the 19 reportable indicators, 10 are rated Green, 2 are rated Amber and 7 are rated Red. For indicators rated Amber and Red, the responsible officer has indicated the corrective action being put in place to get performance back on track. Of the 15 measures where it is possible to indicate the Direction of Travel, 8 are improving, 4 are deteriorating and 3 are showing performance being sustained. The charts below show the breakdown in terms of the RAG and Direction of Travel ratings:
