2.0 OTHER OPTIONS CONSIDERED

- 2.1 There is no provision for other options to be considered.

3.0 BACKGROUND INFORMATION

- 3.1 The vehicle is not currently licensed as a Private Hire Vehicle.
- 3.2 The proprietor of the vehicle has requested an exemption from displaying the plates on the vehicle and from wearing a Private Hire Driver Badge due to the type of work he undertakes. The applicant states that he is looking to move into the executive market as most of his clients are business people. Full details are provided in a letter submitted by him and this will be available at the meeting.
- 3.3 The Council may exempt a vehicle from the requirement to display a plate or wear a badge in accordance with section 75(3) of the Local Government (Miscellaneous Provisions) Act 1976 which states:
- (3) Where a licence under section 48 of this Act is in force for a vehicle, the council which issued the licence may, by notice in writing given to the proprietor of the vehicle, provide that paragraph (a) of subsection (6) of that section shall not apply to the vehicle on any occasion specified in the notice or shall not apply while the notice is in the vehicle; and on any occasion on which by virtue of this subsection that paragraph does not apply to a vehicle section 54(2)(a) of this Act shall not apply to the driver of the vehicle.
- 3.4 This provides that a notice can be given by the Council that removes the need to display a plate and also dispenses with the requirement contained in section 54(2) of the Act that the driver should wear his badge in such a position and manner as to be plainly and distinctly visible.
