

SETTING CLEAR TARGETS FOR WIRRAL WATERS

(Civic Mayor to refer to Policy and Performance Regeneration and Environment Committee)

Proposed by: Cllr Phil Gilchrist

Seconded by: Cllr Dave Mitchell

Council notes that the planning permission for Wirral Waters was granted in August 2010. At that time, the report of the Director of Technical Services advised Members that a planning permission was sought that could be implemented over 25 years and that development on the entire proposal might take 30-40 years.

Council recognises that the relevant planning agreements were concluded during 2012 and that a number of projects have been completed or planning permissions have been granted, or are in hand.

Council suggests that it would be prudent and timely to receive a presentation from Peel setting out the way in which the development is taking place, what has been achieved and what the realistic prospects and timescales are for further stages. Officers should, as part of this, set out how the plans for the cross-docks routes are linked in to this overall view.
